Re: Engagement as Financial Advisor - Project Kestrel

Dear Sirs, This letter (this "Agreement") sets out the terms on which Harborview Securities LLC ("Harborview" or the "Advisor") is engaged by the party executing this Agreement as sponsor (the "Client") as financial advisor in connection with the Client's proposed acquisition of a target company identified to Harborview under the internal code name "Project Kestrel" (the "Company", and the proposed acquisition, the "Transaction").

1. Engagement and Scope

1.01 The Client engages Harborview, and Harborview agrees to act, as the Client's exclusive financial advisor in connection with the Transaction, on the terms of this Agreement. Harborview's role is advisory only. Nothing in this Agreement obliges Harborview or any of its affiliates to provide financing, to underwrite any securities, or to purchase any instrument, and no such obligation arises except under a separate, definitive financing commitment letter or credit agreement executed by the relevant Harborview affiliate.

1.02 The engagement covers the Transaction as presently contemplated and any amendment, restructuring or alternative structure of it that the Client and Harborview agree in writing falls within this Agreement's scope. It does not extend to an unrelated transaction involving the Company or the Client unless the parties agree in writing to extend it.

1.03 Harborview's engagement is exclusive during the Term. During the Term the Client shall not engage another financial advisor in connection with the Transaction without Harborview's prior written consent, which shall not be unreasonably withheld.

2. Services

2.01 Harborview shall provide financial advisory services customary for a transaction of this type, including: advising on the structure, timing and terms of the Transaction; advising on valuation and relative value considerations, including the Company's outstanding debt instruments; assisting the Client in preparing materials for its internal credit and investment approval process; liaising with the Company's advisors and, where authorized, with the Company directly; and advising on negotiation strategy through signing and closing.

2.02 Harborview shall not provide legal, tax, accounting or actuarial advice. The Client shall retain its own counsel and accountants for those purposes, and Harborview may rely on information and advice furnished by them without independent verification.

2.03 Harborview shall be entitled to rely, without independent investigation, on all information supplied by or on behalf of the Client or the Company, including financial projections, and on the accuracy and completeness of publicly available information regarding the Company and its outstanding securities. Harborview undertakes no

obligation to update any analysis or materials for events occurring after the date they are delivered.

3. Fees and Expenses

3.01 Retainer Fee. A monthly retainer fee is payable in advance from the date of this Agreement until the earlier of termination of this engagement or the closing of a Transaction. The retainer amount is set out in the Fee Schedule delivered to the Client under separate cover and is credited, to the extent stated in the Fee Schedule, against the Success Fee described below.

3.02 Announcement Fee. A fee is payable to Harborview upon public announcement of a Transaction, calculated on the basis set out in the Fee Schedule. The Announcement Fee, once paid, is credited in full against the Success Fee payable at closing.

3.03 Success Fee. A success fee (the "Success Fee") is payable to Harborview upon the closing of the Transaction, calculated as a percentage of Aggregate Consideration on the sliding scale set out in the Fee Schedule, net of the credits described in Sections 3.01 and 3.02. "Aggregate Consideration" means the total value of consideration paid or payable in the Transaction, including assumed or refinanced indebtedness, determined in accordance with the methodology set out in the Fee Schedule.

3.04 No portion of the fees described in this Section 3 is contingent on any particular internal leverage or credit conclusion reached by Harborview's own credit function in connection with any separate financing role. The advisory fees described here and any arrangement or underwriting fee payable to a Harborview affiliate under a separate financing engagement are distinct economic arrangements, invoiced and accounted for separately.

3.05 Expenses. The Client shall reimburse Harborview's reasonable, documented out-of-pocket expenses incurred in connection with the engagement, including travel, due diligence data room costs and, if retained with the Client's prior consent, outside counsel and other third-party advisors engaged on Harborview's behalf. Harborview shall provide reasonably detailed invoices.

3.06 All fees are payable in immediately available funds and are exclusive of any applicable sales, use or similar tax, which the Client shall bear in addition.

4. Conflicts of Interest

4.01 The Client acknowledges that Harborview and its affiliates are engaged in a broad range of financial services and may, in the ordinary course, provide services to or hold positions in instruments of the Company, other counterparties to the Transaction, or their respective affiliates.

4.02 The Client further acknowledges that a Harborview affiliate may separately be asked to act as arranger or lender in connection with financing for the Transaction. Any such role is subject to that affiliate's own credit approval process under its internal credit policy, is documented separately from this Agreement, and is not guaranteed by, and does not create any obligation on the part of, Harborview in its capacity as financial advisor under this Agreement. Harborview has established information barriers between its advisory personnel and its credit personnel appropriate to manage the conflict this dual role presents, and will notify the Client promptly if it determines the conflict cannot be adequately managed for a specific matter.

5. Indemnification

5.01 The Client shall indemnify and hold harmless Harborview, its affiliates, and their respective directors, officers,

employees and agents (each, an "Indemnified Person") from and against any losses, claims, damages, liabilities and reasonable expenses, including reasonable counsel fees, arising out of or related to the engagement or any Transaction, except to the extent a court of competent jurisdiction determines in a final, non-appealable judgment that such loss resulted primarily from the gross negligence, wilful misconduct or bad faith of the Indemnified Person seeking indemnification.

5.02 Harborview's aggregate liability to the Client arising out of this engagement, if any, shall not exceed the aggregate fees actually received by Harborview under Section 3, and in no event shall Harborview be liable for any consequential, incidental, special or punitive damages.

5.03 This Section 5 survives termination of this Agreement and remains in effect regardless of whether a Transaction is consummated.

6. Confidentiality

6.01 Each party shall keep confidential, and shall not disclose to any third party without the other's prior written consent, the existence and terms of this Agreement and any non-public information received from the other party in connection with the engagement, except disclosure required by law, regulation, legal process or the rules of a regulatory or self-regulatory body, or disclosure to a party's own advisors, officers, directors and employees who need to know such information and are bound by an obligation of confidentiality no less protective than this Section.

6.02 Nothing in this Section 6 restricts Harborview from disclosing information to the extent necessary to satisfy its own internal credit, compliance or risk management obligations, including within the information barrier described in Section 4.02.

7. Term and Termination

7.01 This Agreement commences on the date first written above (the "Term" commencing) and continues until the earlier of the closing of a Transaction or termination under this Section 7.

7.02 Either party may terminate this Agreement on 30 days' prior written notice to the other. Termination does not affect any fee that has accrued, or become payable, before the effective date of termination, and does not affect Harborview's entitlement to the Success Fee if a Transaction with a counterparty introduced or engaged with during the Term closes within 12 months after termination.

7.03 Sections 3 (Fees and Expenses, as to amounts accrued), 4 (Conflicts of Interest), 5 (Indemnification) and 6 (Confidentiality) survive termination of this Agreement.

8. Governing Law

8.01 This Agreement is governed by, and construed in accordance with, the laws of the State of New York, without regard to its conflict-of-laws principles. Each party irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the Borough of Manhattan, New York, in respect of any dispute arising out of or relating to this Agreement, and waives any right to trial by jury in any such proceeding to the fullest extent permitted by applicable law.

8.02 This Agreement, together with the Fee Schedule referred to in Section 3, constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior discussions and understandings, written or oral, relating to the engagement. This Agreement may be amended only by a written instrument signed by both

parties, and may be executed in counterparts, each of which is an original.

Please confirm your agreement to the foregoing by signing and returning the enclosed copy of this letter.

Yours faithfully,
