AMENDMENT NO. 1 TO CREDIT AGREEMENT

This Amendment No. 1 to Credit Agreement (this "Amendment") is entered into as of 31 March 2025 (the "Amendment No. 1 Effective Date"), by and among the Borrower, each Guarantor party hereto, the Lenders party hereto constituting the Required Lenders, and Truist Bank, as Administrative Agent.

RECITALS

WHEREAS, the Borrower, the Guarantors, the Lenders and the Administrative Agent are parties to that certain Credit Agreement (as in effect immediately prior to the Amendment No. 1 Effective Date, the "Existing Credit Agreement", and as amended by this Amendment, the "Credit Agreement"), pursuant to which the Lenders have made available to the Borrower a revolving credit facility and a term loan facility;

WHEREAS, the Borrower has requested that the Administrative Agent and the Required Lenders agree to amend clause (g) of the definition of Consolidated EBITDA set forth in Section 1.01 of the Existing Credit Agreement, and the Administrative Agent and the Required Lenders are willing to do so on the terms set forth in this Amendment, in each case without amending, restating, or otherwise affecting clause (r) of that same definition;

WHEREAS, capitalized terms used but not otherwise defined in this Amendment have the meanings assigned to them in the Existing Credit Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Amendment and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. DEFINITIONS

1.01. Capitalized terms used but not otherwise defined in this Amendment have the meanings assigned to them in the Existing Credit Agreement. The rules of construction set forth in Section 1.02 of the Existing Credit Agreement apply to this Amendment as though set forth in full herein.

SECTION 2. AMENDMENT TO CONSOLIDATED EBITDA DEFINITION

2.01. Clause (g) of the definition of "Consolidated EBITDA" set forth in Section 1.01 of the Existing Credit Agreement, which clause reads in its entirety as "[reserved]", is hereby amended and restated in its entirety to read as follows:

"(g) proceeds of business interruption insurance actually received by the Borrower or any Restricted Subsidiary during the applicable period, to the extent not otherwise reflected in Consolidated Net Income for such period, net of any related recovery costs, and net of any amount in respect of such proceeds already added back under any other clause of this definition;"

2.02. For the avoidance of doubt, clause (r) of the definition of "Consolidated EBITDA" set forth in Section 1.01 of the Existing Credit Agreement is NOT amended, restated, or otherwise affected by this Amendment, and remains "[reserved]" exactly as it appeared in the Existing Credit Agreement immediately prior to the Amendment No. 1 Effective Date. Clause (g) as amended by Section 2.01 above and clause (r) as unaffected by this Section 2.02 continue to reflect the same drafting convention under which each clause was originally left unallocated in the Existing Credit Agreement pending a future negotiated use, and clause (r) remains available for such future use.

2.03. The addback made available under clause (g) as amended by Section 2.01 above is, like every other addback

under the definition of Consolidated EBITDA, subject to the requirement in the introductory clause of Section 1.01 of the Credit Agreement that it be applied without duplication and only to the extent actually deducted in determining Consolidated Net Income for the applicable period. This Amendment does not modify that requirement, does not modify the cap in clause (i) of the definition of Consolidated EBITDA, and does not modify any other clause of the definition of Consolidated EBITDA.

2.04. This Amendment does not amend, and no provision of this Amendment shall be construed to amend, Section 6.01 or Section 6.02 of the Credit Agreement or any other financial covenant, and does not itself state or certify a computed Consolidated EBITDA figure for any period; the effect of clause (g) as amended on any particular period's Consolidated EBITDA is determined, as it is for every other addback, by the Compliance Certificate delivered for that period under Section 5.01(c) of the Credit Agreement.

SECTION 3. REAFFIRMATION OF GUARANTEES AND LIENS

3.01. Each Guarantor party hereto hereby (a) consents to this Amendment, (b) reaffirms its guarantee of the Obligations under the Guarantee, and (c) reaffirms its grant of a security interest in the Collateral described in the Security Agreement to secure the Obligations, in each case as if the Guarantee and the Security Agreement were executed and delivered on the Amendment No. 1 Effective Date, after giving effect to this Amendment.

3.02. Nothing in this Amendment (a) constitutes a novation of any Loan Document, (b) releases or discharges any Guarantor from its obligations under the Guarantee, or (c) releases, discharges, or impairs the Lien granted by any Loan Party under the Security Agreement, the Guarantee, or any other Collateral Document, each of which remains in full force and effect, unamended except as this Amendment expressly amends the Credit Agreement to which each of them refers.

SECTION 4. REPRESENTATIONS AND WARRANTIES

4.01. Each Loan Party represents and warrants to the Administrative Agent and the Lenders, as of the Amendment No. 1 Effective Date, that (a) the execution, delivery and performance of this Amendment are within such Loan Party's corporate or other organizational powers, have been duly authorized by all necessary corporate or other organizational action, and do not contravene such Loan Party's organizational documents, any material Contractual Obligation, or any applicable Law; (b) this Amendment has been duly executed and delivered by such Loan Party and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, and other similar laws affecting creditors' rights generally and to general principles of equity; (c) no Default or Event of Default has occurred and is continuing, or would result from the effectiveness of this Amendment; and (d) after giving effect to this Amendment, the representations and warranties of the Loan Parties set forth in Article IV of the Credit Agreement are true and correct in all material respects as of the Amendment No. 1 Effective Date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they are true and correct in all material respects as of such earlier date.

SECTION 5. CONDITIONS PRECEDENT

5.01. This Amendment shall become effective as of the Amendment No. 1 Effective Date upon satisfaction of each of the following conditions: (a) the Administrative Agent shall have received counterparts of this Amendment duly executed by the Borrower, each Guarantor, the Administrative Agent, and the Required Lenders; (b) the

Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower certifying that the conditions set forth in Section 4 above are satisfied as of the Amendment No. 1 Effective Date; and (c) the Borrower shall have paid all fees and reasonable, documented out-of-pocket expenses of the Administrative Agent, including the reasonable fees and expenses of outside counsel to the Administrative Agent, in each case to the extent invoiced at least two Business Days prior to the Amendment No. 1 Effective Date.

SECTION 6. MISCELLANEOUS

6.01. No Other Amendments. Except as expressly amended by this Amendment, the Existing Credit Agreement and each other Loan Document remain unchanged and in full force and effect, and are hereby ratified and confirmed in all respects. This Amendment is a Loan Document. On and after the Amendment No. 1 Effective Date, each reference in the Credit Agreement or any other Loan Document to the "Credit Agreement" refers to the Existing Credit Agreement as amended by this Amendment.

6.02. Entire Agreement. This Amendment, together with the Credit Agreement and the other Loan Documents, constitutes the entire agreement among the parties with respect to the subject matter hereof and supersedes any prior or contemporaneous agreement, understanding, or representation, oral or written, relating to such subject matter.

6.03. Counterparts; Electronic Execution. This Amendment may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument, and may be delivered by electronic transmission with the same effect as delivery of a manually executed counterpart.

6.04. Governing Law. This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflicts-of-laws principles that would require the application of the laws of another jurisdiction.

6.05. Severability. If any provision of this Amendment is held to be invalid, illegal, or unenforceable in any jurisdiction, the validity, legality, and enforceability of the remaining provisions of this Amendment in that jurisdiction, and of every provision of this Amendment in every other jurisdiction, shall not be affected or impaired thereby.

6.06. Headings. Section headings used in this Amendment are for convenience of reference only and do not affect the interpretation of this Amendment.

SECTION 7. CONFORMED CLAUSE LIST

7.01. For the convenience of the Administrative Agent and the Lenders, and without limiting Section 6.01 above, Exhibit A to this Amendment sets forth the definition of "Consolidated EBITDA" in Section 1.01 of the Credit Agreement as conformed to reflect this Amendment. Exhibit A is provided for reference only; in the event of any conflict between Exhibit A and the operative text of Section 1.01 of the Credit Agreement as amended by Section 2 of this Amendment, the operative text of Section 1.01 as so amended governs.

EXHIBIT A. CONFORMED CONSOLIDATED EBITDA DEFINITION

"Consolidated EBITDA" means, for any period, Consolidated Net Income for such period, increased (without duplication) by, in each case to the extent deducted in determining Consolidated Net Income for such period:

(a) Provision for income taxes;

(b) Consolidated Interest Expense;

(c) depreciation and amortization expense;

(d) non-cash stock-based compensation expense;

(e) restructuring charges, severance costs and related expenses;

(f) fees, costs and expenses incurred in connection with the Transaction and any permitted acquisition, including integration costs;

(i) the aggregate amount of cost savings, operating expense reductions and synergies, plus the aggregate amount of revenue enhancements, in each case projected by the Borrower in good faith and classified in accordance with Schedule 1.01(c) to the Credit Agreement, subject to the cap set forth in the unamended proviso to this clause (i);

(g) proceeds of business interruption insurance actually received by the Borrower or any Restricted Subsidiary during the applicable period, to the extent not otherwise reflected in Consolidated Net Income for such period, net of any related recovery costs, and net of any amount in respect of such proceeds already added back under any other clause of this definition; [AS AMENDED BY SECTION 2.01 OF AMENDMENT NO. 1]

(h) extraordinary, unusual or non-recurring losses or charges, in each case as determined in good faith by a Responsible Officer of the Borrower;

(j) any net loss from discontinued operations and any loss on the early extinguishment of Indebtedness;

(k) non-cash impairment charges resulting from the application of GAAP impairment-of-assets standards, and non-cash losses on the sale or disposition of assets outside the ordinary course of business;

(m) fees, costs and expenses incurred in connection with any Permitted Acquisition or Permitted Investment, whether or not consummated;

(n) earn-out and contingent consideration accruals or adjustments in respect of the Transaction or any Permitted Acquisition;

(p) amounts substantiated solely by reference to the Confidential Information Memorandum or the Sponsor Model prepared in connection with the Transaction, which the Borrower represents accurately reflects addbacks not otherwise enumerated in this definition;

(q) customary management, monitoring, consulting and advisory fees paid to the Sponsor pursuant to a management services agreement disclosed to the Administrative Agent;

(r) [reserved] [UNCHANGED BY AMENDMENT NO. 1 - SEE SECTION 2.02]

(s) non-cash purchase accounting adjustments, including the effect of any purchase price allocation to inventory or deferred revenue;

(t) such other adjustments as are set forth in the QofE Report, subject to Regulation S-X quality-of-earnings presentation.

The introductory clause of this definition, the proviso to clause (i), and the closing "for the avoidance of doubt" sentence of Section 1.01 of the Credit Agreement are unchanged by this Amendment and are not restated in this Exhibit A; this Exhibit is limited to the lettered clauses for ease of reference.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed as of the Amendment No. 1 Effective Date, 31 March 2025.
