GUARANTEE

This Guarantee (this "Guarantee") is entered into as of 15 June 2023, by each Restricted Subsidiary of the Borrower party hereto (each, a "Guarantor" and collectively, the "Guarantors"), in favor of Truist Bank, as Administrative Agent for the benefit of the Secured Parties, and is a Loan Document under the Credit Agreement.

RECITALS

WHEREAS, the Borrower, the Lenders, and the Administrative Agent are parties to the Credit Agreement, pursuant to which the Lenders have made available to the Borrower a revolving credit facility and a term loan facility;

WHEREAS, it is a condition to the obligation of the Lenders to make Credit Extensions under the Credit Agreement that each Guarantor execute and deliver this Guarantee, in accordance with Section 5.10 of the Credit Agreement;

WHEREAS, each Guarantor is a Restricted Subsidiary of the Borrower and will derive substantial direct and indirect benefit from the credit extended to the Borrower under the Credit Agreement, whether through intercompany funding, shared services, or otherwise;

NOW, THEREFORE, in order to induce the Lenders to make Credit Extensions under the Credit Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees as follows:

SECTION 1. THE GUARANTEE OF PAYMENT

1.01. Each Guarantor hereby unconditionally and irrevocably, jointly and severally with each other Guarantor, guarantees to the Administrative Agent, for the benefit of the Secured Parties, the prompt payment in full when due (whether at stated maturity, by acceleration, upon mandatory prepayment, or otherwise) of the Obligations.

1.02. Guarantee of Payment. This Guarantee is a guarantee of payment and not merely of collection. The Administrative Agent is not required, as a condition to enforcing this Guarantee, to proceed first against the Borrower or any other Person, to exhaust any right or remedy against the Borrower or any other Person, or to proceed against or exhaust any Collateral, before proceeding against any Guarantor under this Guarantee, and may proceed against any one or more Guarantors in any order it chooses, without affecting its rights against any other Guarantor.

1.03. Guarantee of Expenses. Each Guarantor further unconditionally and irrevocably, jointly and severally with each other Guarantor, guarantees to the Administrative Agent, for the benefit of the Secured Parties, the prompt payment when due of all reasonable, documented out-of-pocket costs and expenses, including reasonable attorneys' fees, incurred by the Administrative Agent or any Lender in enforcing any rights under this Guarantee, the Credit Agreement, or any other Loan Document against the Borrower or any Guarantor.

1.04. Maximum Liability. Notwithstanding Section 1.01 above, the liability of each Guarantor under this Guarantee is, in each case subject to the Savings Clause set forth in Section 3.02 below, unlimited as to amount and extends to the full amount of the Obligations, without regard to whether the amount of the Obligations exceeds the value of such Guarantor's assets. No provision of this Section 1.04 modifies or limits any other Guarantor's separate and independent liability under this Guarantee.

SECTION 2. GUARANTEE ABSOLUTE AND UNCONDITIONAL; WAIVERS

2.01. Each Guarantor's obligations under this Guarantee are absolute and unconditional, irrespective of (a) the

validity, enforceability, avoidance, or subordination of the Obligations or any Loan Document, (b) any amendment, modification, extension, renewal, or waiver of any Loan Document or the Obligations, (c) any exchange, release, subordination, or non-perfection of any Collateral, (d) the existence of any claim, setoff, or other right that any Guarantor may have against the Borrower, the Administrative Agent, or any other Person, whether in connection with the Obligations or otherwise, or (e) any other circumstance, act, or omission that might otherwise constitute a legal or equitable defense available to, or a discharge of, a surety or a guarantor other than the Discharge of Obligations.

2.02. Waiver of Suretyship Defenses. Each Guarantor irrevocably waives: (a) notice of acceptance of this Guarantee and of the incurrence of any Obligations; (b) presentment, demand, protest, and notice of dishonor or nonpayment of any Obligations; (c) any requirement that the Administrative Agent exhaust any right or remedy against the Borrower, any other Guarantor, or any Collateral before proceeding against such Guarantor; (d) any defense arising from any disability, insolvency, or other defense of the Borrower or any other Guarantor; (e) any defense based on any election of remedies by the Administrative Agent that impairs any subrogation, reimbursement, contribution, or other right of such Guarantor; and (f) any right to require the Administrative Agent to marshal any assets in favor of such Guarantor or any other Person.

2.03. Waiver of Subrogation. Each Guarantor irrevocably waives, until the Discharge of Obligations, any right of subrogation, reimbursement, indemnification, or contribution it may have against the Borrower arising from any payment made by it under this Guarantee, and agrees not to exercise any such right until the Discharge of Obligations.

2.04. Continuing Guarantee. This Guarantee is a continuing guarantee of the Obligations and remains in full force and effect until the Discharge of Obligations, notwithstanding that at any particular time there may be no Obligations outstanding.

2.05. Reinstatement. This Guarantee remains in effect, or is automatically reinstated, as the case may be, if at any time any payment of any Obligation is rescinded or must otherwise be returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, or reorganization of the Borrower or otherwise, all as though such payment had not been made.

2.06. Financial Condition. Each Guarantor represents that it has, independently and without reliance on the Administrative Agent or any Lender, made its own credit analysis and decision to enter into this Guarantee based on such documents and information as it has deemed appropriate, and that it will continue to make its own credit decisions in taking or not taking action under this Guarantee based upon such documents and information as it deems appropriate at the time. Each Guarantor further represents that it is familiar with the financial condition and affairs of the Borrower and has had access to such information concerning the Borrower as it has deemed necessary or appropriate in connection with this Guarantee.

2.07. No Duty to Advise. Neither the Administrative Agent nor any Lender has any duty, and each Guarantor waives any right it might otherwise have, to disclose to such Guarantor any information relating to the business, condition, or operations of the Borrower or any other Guarantor that the Administrative Agent or such Lender may now or hereafter possess, whether or not such information is material and whether or not such information is known to the

Administrative Agent or such Lender prior to, at the time of, or after the execution and delivery of this Guarantee.

2.08. Setoff. In addition to any rights and remedies of the Administrative Agent and the Lenders provided by law, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is authorized, at any time and from time to time, without prior notice to any Guarantor, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, and any other obligations at any time owing, by the Administrative Agent or such Lender to or for the credit or the account of any Guarantor, against any obligation of such Guarantor under this Guarantee, irrespective of whether the Administrative Agent or such Lender has made any demand under this Guarantee and although such obligation may be contingent or unmatured.

2.09. Currency Indemnity. If, for the purpose of obtaining judgment in any court, it is necessary to convert an amount due under this Guarantee from the currency in which it is denominated (the "Agreement Currency") into another currency, each Guarantor agrees, to the fullest extent permitted by applicable law, that the rate of exchange used shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase the Agreement Currency with such other currency on the Business Day preceding the day on which final, non-appealable judgment is given, and each Guarantor's obligation in respect of any such amount due from it shall, notwithstanding the rate of exchange actually used, be discharged only to the extent that the Administrative Agent may, in accordance with normal banking procedures, purchase the Agreement Currency with the amount of the other currency actually received by the Administrative Agent, and each Guarantor agrees to indemnify the Administrative Agent against any shortfall resulting from that purchase.

2.10. Taxes. Each Guarantor's payment obligations under this Guarantee are subject to Section 3.01 of the Credit Agreement (Taxes) to the same extent as the Borrower's own payment obligations thereunder, including the requirement that payments be made free and clear of, and without deduction for, any Indemnified Taxes, and, if any Indemnified Taxes are required to be withheld, that the sum payable be increased so that the Administrative Agent and each Lender receives the amount it would have received had no such withholding been made.

2.11. Additional Waivers. Without limiting the generality of Section 2.02 above, each Guarantor further waives (a) any defense arising from any statute of limitations applicable to the Obligations, to the extent such statute may be waived under applicable law; (b) any defense based on the Administrative Agent's or any Lender's election, in any bankruptcy proceeding of the Borrower or any other Guarantor, of the application of Section 1111(b)(2) of the Bankruptcy Code; (c) any defense based on any borrowing or grant of a security interest under Section 364 of the Bankruptcy Code; (d) any defense based on any use of cash collateral under Section 363 of the Bankruptcy Code; and (e) any other event or circumstance that would, absent this waiver, result in the release or discharge by operation of law of any Guarantor from the performance or observance of any obligation, covenant, or agreement contained in this Guarantee.

2.12. Independent Obligations. The obligations of each Guarantor under this Guarantee are independent of the obligations of the Borrower and of any other Guarantor, and a separate action may be brought against any Guarantor, whether or not an action is brought against the Borrower or any other Guarantor and whether or not the Borrower or any other Guarantor is joined in any such action. Each Guarantor's obligations under this Guarantee are in addition to, and not in substitution for, any Lien granted by such Guarantor under the Security Agreement or any other

Collateral Document.

SECTION 3. CONTRIBUTION AMONG THE GUARANTORS

3.01. To the extent any Guarantor pays more than its Contribution Share (as reasonably determined by the Administrative Agent by reference to the relative net assets of the Guarantors) of amounts paid under this Guarantee, such Guarantor is entitled to contribution from each other Guarantor for the excess, but only after, and only to the extent, the Discharge of Obligations has occurred.

3.02. Savings Clause. Notwithstanding anything in this Guarantee to the contrary, the liability of each Guarantor under this Guarantee, and its right of contribution under Section 3.01, is limited to the maximum amount that would not render such Guarantor's obligations under this Guarantee subject to avoidance as a fraudulent transfer or fraudulent conveyance under any applicable federal or state law.

3.03. Subordination of Contribution Rights. Each Guarantor's right of contribution against any other Guarantor under Section 3.01 above is subordinate in right of payment to the Discharge of Obligations, and no Guarantor may enforce that right, whether by set-off or otherwise, until the Discharge of Obligations has occurred; any payment received by a Guarantor on account of a contribution right in violation of this Section 3.03 shall be held by such Guarantor in trust for the benefit of the Administrative Agent and promptly turned over to the Administrative Agent for application to the Obligations.

3.04. The rights of contribution described in this Section 3 are solely for the benefit of the Guarantors, and neither the Administrative Agent nor any Lender has any obligation to determine, monitor, or enforce any Guarantor's Contribution Share, and no failure by a Guarantor to exercise its rights under this Section 3 affects the Administrative Agent's or any Lender's rights under this Guarantee.

3.05. "Contribution Share" means, with respect to any Guarantor, the amount computed by multiplying (a) the amount by which the aggregate amount of all payments made under this Guarantee exceeds the sum of all amounts already contributed by all Guarantors as provided in this Section 3, by (b) a fraction the numerator of which is such Guarantor's net assets on the date hereof, or, if such Guarantor became a party to this Guarantee pursuant to Section 7 below, on the date it became a Guarantor, and the denominator of which is the aggregate net assets of all Guarantors on such date, in each case as reasonably determined by the Administrative Agent from financial information delivered under the Credit Agreement.

SECTION 4. REPRESENTATIONS AND WARRANTIES OF EACH GUARANTOR

4.01. Each Guarantor represents and warrants to the Administrative Agent that (a) it is duly organized, validly existing, and in good standing under the laws of its jurisdiction of organization; (b) the execution, delivery, and performance of this Guarantee are within its organizational powers, have been duly authorized by all necessary organizational action, and do not contravene its organizational documents, any material Contractual Obligation, or any applicable Law; and (c) this Guarantee has been duly executed and delivered by it and constitutes its legal, valid, and binding obligation, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, and other similar laws affecting creditors' rights generally and to general principles of equity.

4.02. Each Guarantor further represents and warrants that (a) no consent, approval, authorization, or order of, or filing with, any governmental authority or third party is required for the execution, delivery, or performance by such

Guarantor of this Guarantee, other than such as have already been obtained or made; (b) there is no action, suit, or proceeding pending or, to such Guarantor's knowledge, threatened against it that, if adversely determined, could reasonably be expected to have a Material Adverse Effect; and (c) such Guarantor derives, or expects to derive, substantial direct and indirect economic benefit from the credit extended to the Borrower under the Credit Agreement, whether as a Restricted Subsidiary conducting business supported by the proceeds of the Credit Agreement, as a recipient of intercompany funding sourced in part from such proceeds, or otherwise.

SECTION 5. COVENANTS OF EACH GUARANTOR

5.01. Each Guarantor will comply with each affirmative and negative covenant of the Credit Agreement applicable to it in its capacity as a Restricted Subsidiary or as a Guarantor, including the covenants set forth in Sections 5 and 7 of the Credit Agreement, as though such covenants were set forth in full in this Guarantee.

5.02. Each Guarantor will deliver, or cause to be delivered, to the Administrative Agent such certificates, financial information, and other documents as the Borrower is required to deliver on its behalf under Section 5.01 of the Credit Agreement to the extent such documents relate to such Guarantor, and will otherwise cooperate with the Borrower in the delivery of the reports, notices, and certificates required under the Credit Agreement.

5.03. Each Guarantor will promptly notify the Administrative Agent of any event that would cause it to become an Excluded Subsidiary, or that would otherwise make continued compliance with Section 5.10 of the Credit Agreement by such Guarantor impracticable, and will take such action as the Administrative Agent reasonably requests in connection with any such event.

5.04. Each Guarantor will maintain its corporate or other organizational existence, except as permitted by a transaction described in Section 7.04 of the Credit Agreement (Mergers, Consolidations, Sales of Assets).

5.05. Each Guarantor will pay and discharge, before the same become delinquent, all material Taxes imposed upon it or its property, except Taxes being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP, to the same extent required of the Borrower under Section 5.04 of the Credit Agreement.

SECTION 6. TERM; RELEASE OF GUARANTORS

6.01. This Guarantee terminates, as to all Guarantors, upon the Discharge of Obligations. A Guarantor is automatically released from its obligations under this Guarantee upon the release of such Guarantor in accordance with Section 5.10 of the Credit Agreement, including upon such Guarantor ceasing to be a Restricted Subsidiary in a transaction permitted under the Credit Agreement.

6.02. Upon any release of a Guarantor in accordance with Section 6.01 above, the Administrative Agent will, at such Guarantor's expense and upon its written request, execute and deliver to such Guarantor such documents as such Guarantor may reasonably request to evidence the release of such Guarantor from its obligations under this Guarantee, without representation or warranty of any kind by the Administrative Agent.

6.03. No release of a Guarantor under this Section 6 affects the continuing obligations of any other Guarantor under this Guarantee, and no release of any Guarantor is effective until actually granted in accordance with Section 5.10 of the Credit Agreement; a Guarantor's own belief that it qualifies for release does not itself effect a release.

SECTION 6A. ACKNOWLEDGMENTS

6A.01. Each Guarantor acknowledges that it has received a copy of the Credit Agreement, the Security Agreement, and each other Loan Document, has read and understands the terms of each, and has had the opportunity to consult with its own legal and financial advisors regarding the terms of this Guarantee before executing it.

6A.02. Each Guarantor acknowledges that the Administrative Agent and the Lenders are extending and maintaining credit under the Credit Agreement in reliance on this Guarantee, and that this Guarantee is a material inducement to the Administrative Agent's and the Lenders' willingness to do so.

6A.03. Each Guarantor acknowledges that the obligations guaranteed under this Guarantee may from time to time exceed the aggregate liability of such Guarantor under this Guarantee, without impairing this Guarantee or giving such Guarantor any right of contribution or reimbursement against the Administrative Agent or any Lender.

6A.04. Each Guarantor acknowledges that the Lien granted by it under the Security Agreement secures both its own obligations as a Grantor and its obligations under this Guarantee, and that the Administrative Agent may enforce that Lien to satisfy either or both, in its discretion, subject to the terms of the Security Agreement and the order of application of proceeds set forth in Section 8 of the Credit Agreement.

SECTION 7. ADDITIONAL GUARANTORS

7.01. Any Person required to become a Guarantor after the date hereof pursuant to Section 5.10 of the Credit Agreement shall become a party to this Guarantee by executing and delivering an Accession Agreement to the Administrative Agent, without the need for any other Guarantor's consent, and shall thereupon be bound by this Guarantee as if it had been an original signatory hereto.

7.02. Promptly upon the execution and delivery of an Accession Agreement by any new Guarantor, the Administrative Agent will update Schedule I to this Guarantee to add such Guarantor's name, jurisdiction of organization, and immediate parent; the failure to update Schedule I does not affect the validity or enforceability of such new Guarantor's obligations under this Guarantee.

7.03. The joinder of an additional Guarantor under this Section 7 does not require the consent of, and does not confer any right on, the Borrower or any existing Guarantor, and does not itself increase or decrease the aggregate liability of any existing Guarantor under this Guarantee.

SECTION 8. MISCELLANEOUS

8.01. Notices. All notices under this Guarantee shall be given in the manner specified in Section 10 of the Credit Agreement, addressed, in the case of each Guarantor, to it at the address of the Borrower under the Credit Agreement, unless such Guarantor has otherwise notified the Administrative Agent in writing.

8.02. No Waiver; Amendments. No failure or delay by the Administrative Agent in exercising any right or remedy under this Guarantee shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. This Guarantee may be amended, modified, or waived only in accordance with Section 10 of the Credit Agreement, and no amendment, modification, or waiver of this Guarantee shall be effective unless in writing and signed by the party against whom enforcement is sought.

8.03. Successors and Assigns. This Guarantee binds and inures to the benefit of each Guarantor, the Administrative Agent, and their respective successors and permitted assigns; provided that no Guarantor may assign or transfer its

rights or obligations under this Guarantee without the prior written consent of the Administrative Agent, and the Administrative Agent and the Lenders may assign their respective rights under this Guarantee only in accordance with Section 10 of the Credit Agreement.

8.04. Governing Law; Jurisdiction; Jury Trial Waiver. This Guarantee shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflicts-of-laws principles that would require the application of the laws of another jurisdiction. Each Guarantor irrevocably submits to the non-exclusive jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and waives, to the fullest extent permitted by applicable law, any objection to venue in any such court. EACH PARTY HERETO IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTEE.

8.05. Counterparts. This Guarantee may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument, and may be delivered by electronic transmission with the same effect as delivery of a manually executed counterpart.

8.06. Severability. If any provision of this Guarantee is held to be invalid, illegal, or unenforceable in any jurisdiction, the validity, legality, and enforceability of the remaining provisions of this Guarantee in that jurisdiction, and of every provision of this Guarantee in every other jurisdiction, shall not be affected or impaired thereby, and the parties will negotiate in good faith to replace any such provision with a valid, legal, and enforceable provision as close as possible to the original intent of the invalid, illegal, or unenforceable provision.

8.07. No Third-Party Beneficiaries. This Guarantee is solely for the benefit of the Administrative Agent and the Secured Parties, and no other Person, including the Borrower, has any right, remedy, or claim under or by reason of this Guarantee.

8.08. Integration. This Guarantee, together with the other Loan Documents, constitutes the entire agreement between each Guarantor and the Administrative Agent with respect to the subject matter hereof and supersedes any prior or contemporaneous agreement, understanding, or representation, oral or written, relating to such subject matter.

8.09. Headings. Section headings used in this Guarantee are for convenience of reference only and do not affect the interpretation of this Guarantee.

8.10. Judgment Currency. The Currency Indemnity set forth in Section 2.09 above applies equally to any judgment obtained against any Guarantor in connection with any enforcement of this Guarantee, and each Guarantor's agreement in Section 2.09 constitutes a separate and independent obligation from its other obligations under this Guarantee.

8.11. Interpretation. In this Guarantee, unless the context otherwise requires, (a) any reference to a Section or Schedule is a reference to a Section of, or Schedule to, this Guarantee, (b) the words "herein", "hereof", and "hereunder" refer to this Guarantee as a whole and not to any particular provision, (c) the word "including" means "including without limitation", and (d) a reference to a document includes a reference to that document as amended, restated, supplemented, or otherwise modified from time to time in accordance with its terms.

8.12. Confidentiality. Each Guarantor agrees that any confidential information of the Borrower obtained by such Guarantor in connection with this Guarantee will be held in confidence to the same extent required of the Borrower under Section 10 of the Credit Agreement, and each Guarantor's obligations under this Section 8.12 survive the termination of this Guarantee.

8.13. Survival. Sections 2.09 (Currency Indemnity), 3.03 (Subordination of Contribution Rights), and 8.12 (Confidentiality) survive the termination of this Guarantee and the Discharge of Obligations.
