INTERCREDITOR AGREEMENT

This Intercreditor Agreement (this "Agreement") is entered into as of 15 June 2023, among Truist Bank, as Administrative Agent under the Credit Agreement (in such capacity, the "Priority Lien Representative"), Wilmington Trust, National Association, as trustee under the Indenture (in such capacity, the "Notes Representative"), and the Borrower and each Guarantor party hereto (collectively, the "Loan Parties"), and is the "Acceptable Intercreditor Agreement" referenced in the definition of that term in Section 1.01 of the Credit Agreement.

RECITALS

WHEREAS, the Loan Parties are party to the Credit Agreement, under which the Priority Lien Representative holds Liens on the Shared Collateral (as defined below) to secure the Priority Lien Obligations (as defined below);

WHEREAS, the Notes are unsecured as of the date hereof, but the Indenture contains an equal and ratable sharing covenant under which, if the Issuer or any Restricted Subsidiary at any time grants or suffers to exist a Lien on any of its property to secure Indebtedness under the Credit Agreement beyond the basket amount permitted without equal and ratable sharing under the Indenture, the Issuer is required to cause the Notes to be secured equally and ratably with such Indebtedness (any Lien on Shared Collateral arising from that requirement, a "Notes Lien");

WHEREAS, the parties wish to establish, in advance of any such equal and ratable sharing event and so that no further negotiation is required if and when it occurs, the relative priority, rights and obligations of the Priority Lien Representative and the Notes Representative with respect to the Shared Collateral;

NOW, THEREFORE, the parties hereto agree as follows:

SECTION 1. DEFINITIONS

1.01. "Priority Lien Obligations" means the Obligations, as defined in the Credit Agreement.

1.02. "Notes Lien Obligations" means the obligations of the Issuer and any Guarantor under the Notes and the Indenture, but only from and after the date, if any, on which such obligations become secured by a Notes Lien pursuant to the equal and ratable sharing covenant described in the Recitals above; prior to any such date, there are no Notes Lien Obligations and this Agreement's lien-priority and standstill provisions are not yet operative as against the Notes Representative, although this Agreement remains in effect and binding on the parties.

1.03. "Shared Collateral" means, at any time, the Collateral described in the Security Agreement that is at such time subject to both a Lien securing the Priority Lien Obligations and a Notes Lien.

1.04. "Discharge of Priority Lien Obligations" means the payment in full in cash of the Priority Lien Obligations and the termination of all commitments to extend credit under the Credit Agreement, in each case as defined by reference to "Discharge of Obligations" under the Credit Agreement.

1.05. "Enforcement Action" means, with respect to any Person and the Shared Collateral, the exercise of any right or remedy available to a secured party with respect to the Shared Collateral under the UCC, the Security Agreement, or applicable law, including any foreclosure, repossession, or other exercise of remedies, but excluding the mere filing of a proof of claim or the taking of any action necessary to preserve, without enforcing, a Lien.

1.06. "Standstill Period" has the meaning given in Section 3.01. Capitalized terms used but not otherwise defined in this Agreement have the meanings assigned to them in the Credit Agreement or, if not defined therein, in the Indenture.

1.07. "Distribution" means any payment or distribution of cash, securities, or other property, whether directly, by set-off, or otherwise, on account of the Notes Lien Obligations, including in connection with any exercise of remedies, any insurance or condemnation award relating to Shared Collateral, or any Insolvency Proceeding.

1.08. "Insolvency Proceeding" means any case or proceeding under Title 11 of the United States Code, or any other federal, state, or foreign bankruptcy, insolvency, receivership, or similar law, in each case whether voluntary or involuntary, with respect to any Loan Party.

1.09. "Bailee Collateral" means any Shared Collateral in the possession or control of the Priority Lien Representative, including as a result of any exercise of remedies under the Security Agreement.

SECTION 2. LIEN PRIORITY

2.01. Notwithstanding the date, manner, or order of attachment or perfection of any Lien on the Shared Collateral, the provisions of the UCC, any applicable law, or any provision of the Indenture, the Notes, or any other Notes document, and notwithstanding any contrary provision of the UCC or applicable law, any Lien on the Shared Collateral securing the Priority Lien Obligations is senior in right, priority, and enforcement in all respects to any Notes Lien on the Shared Collateral, and any Notes Lien on the Shared Collateral is junior and subordinate in all respects to any Lien on the Shared Collateral securing the Priority Lien Obligations.

2.02. The priority provided for in Section 2.01 applies even if any Lien securing the Priority Lien Obligations is later determined to be void, voidable, unperfected, subordinated, or otherwise ineffective, and even if the Priority Lien Representative or any holder of Priority Lien Obligations has actual or constructive notice of any Notes Lien.

2.03. Application of Proceeds. Upon any Enforcement Action against, or any sale, transfer, condemnation, or other disposition of, the Shared Collateral (whether under the UCC, in the exercise of remedies under the Security Agreement, in an Insolvency Proceeding, or otherwise), the proceeds thereof shall be applied by the Priority Lien Representative in the following order: first, to the payment of all reasonable and documented out-of-pocket costs and expenses (including the reasonable fees and expenses of counsel) incurred by the Priority Lien Representative in connection with such Enforcement Action, sale, transfer, condemnation, or other disposition, and in enforcing this Agreement; second, to the payment in full of the Priority Lien Obligations, in the order and manner provided in the Credit Agreement; third, subject to Section 3 above (Standstill) and Section 6 above (Insolvency Proceedings), to the payment in full of the Notes Lien Obligations, in the order and manner provided in the Indenture, but only to the extent a Notes Lien has arisen in accordance with the Recitals above and only to the extent such proceeds constitute proceeds of Shared Collateral subject to such Notes Lien; and fourth, to the Loan Parties or as a court of competent jurisdiction may otherwise direct.

2.04. Purchase Option. At any time after the acceleration of the Priority Lien Obligations following an Event of Default under the Credit Agreement, the Notes Representative may, upon not less than ten Business Days' prior written notice to the Priority Lien Representative, elect to purchase, or to cause one or more holders of Notes to purchase, all (but not less than all) of the Priority Lien Obligations then outstanding, for cash in an amount equal to the full amount of such Priority Lien Obligations, including principal, accrued and unpaid interest, and reasonable and documented fees and expenses, without representation, warranty, or recourse of any kind on the part of the Priority Lien Representative or any Lender other than as to its right to sell and the absence of any Lien on the

purchased Obligations created by the selling Lender. The Priority Lien Representative and each Lender shall cooperate in good faith with the consummation of any purchase properly elected under this Section 2.04, including by executing an assignment agreement in a form reasonably satisfactory to the Priority Lien Representative.

2.05. No Duty to Marshal; Waiver. The Priority Lien Representative has no obligation, whether arising under this Agreement, the Security Agreement, the UCC, or otherwise, to marshal any assets in favor of the Notes Representative or any holder of Notes, or to resort to any Shared Collateral, or any other collateral or source of payment for the Priority Lien Obligations, in any particular order, and the Notes Representative, for itself and on behalf of the holders of Notes, waives any such requirement to the fullest extent permitted by applicable law.

2.06. Insurance and Condemnation Proceeds. As between the Priority Lien Representative and the Notes Representative, any insurance proceeds or condemnation award payable in respect of any Shared Collateral shall be applied in accordance with Section 2.03 above (Application of Proceeds), and the Priority Lien Representative shall have the sole and exclusive right, as against the Notes Representative, to adjust, settle, or compromise any insurance claim or condemnation proceeding relating to Shared Collateral for so long as any Priority Lien Obligations remain outstanding, whether or not an Event of Default has occurred.

2.07. After-Acquired Collateral; Amendments to Security Agreement. The Priority Lien Representative may, without the consent of the Notes Representative, amend, supplement, or otherwise modify the Security Agreement to add collateral, to correct or clarify the description of collateral, or to grant a Lien on after-acquired property of a Loan Party, and any collateral so added automatically becomes Shared Collateral, subject in all respects to the priority scheme set forth in Section 2.01 above, without any further action by the Notes Representative; provided that no such amendment, supplement, or modification may remove collateral from the Security Agreement in a manner that discharges an existing Notes Lien except as permitted by Section 7 below (Release of Liens).

2.08. Certain Agreements With Respect to Enforcement. As between the Priority Lien Representative and the Notes Representative, the Priority Lien Representative has the exclusive right to make determinations regarding the time, method, and manner of any Enforcement Action, and the release, sale, disposition, or restructuring of any Shared Collateral, and the Notes Representative will not, and will direct the holders of Notes not to, contest, protest, or otherwise object to any such determination or to any lawful exercise by the Priority Lien Representative of any right or remedy under the Security Agreement, the UCC, or applicable law, other than as expressly permitted by Section 3 below (Standstill).

SECTION 3. STANDSTILL

3.01. Until the Discharge of Priority Lien Obligations, the Notes Representative will not, and will direct the holders of the Notes not to, take any Enforcement Action with respect to the Shared Collateral, except that the Notes Representative may take an Enforcement Action if the Priority Lien Representative has not itself commenced and be diligently pursuing an Enforcement Action within one hundred eighty days (the "Standstill Period") after written notice from the Notes Representative to the Priority Lien Representative of an Event of Default (as defined in the Indenture) and of the Notes Representative's intent to take an Enforcement Action.

3.02. Nothing in this Section 3 restricts the Notes Representative or any holder of Notes from filing a proof of claim, exercising any right to vote on a plan of reorganization, or taking any action not constituting an Enforcement

Action with respect to the Shared Collateral.

SECTION 3A. BAILEE FOR PERFECTION

3A.01. If the Priority Lien Representative at any time holds Bailee Collateral, it holds such Bailee Collateral as bailee for the Notes Representative solely for the purpose of perfecting the Notes Lien thereon, if and to the extent a Notes Lien has arisen in accordance with the Recitals above, and the Priority Lien Representative has no duty to the Notes Representative with respect to such Bailee Collateral other than to refrain from knowingly and intentionally taking any action to impair the Notes Lien thereon in violation of this Agreement.

3A.02. The Priority Lien Representative may deal with Bailee Collateral, including selling, leasing, licensing, or otherwise disposing of it, in accordance with the Security Agreement and the Credit Agreement, without regard to any duty it might otherwise owe the Notes Representative as bailee, except as expressly provided in Section 7 above (Release of Liens).

3A.03. Neither the Priority Lien Representative nor any of its officers, directors, employees, or agents shall have any liability to the Notes Representative or any holder of Notes for any action taken or omitted to be taken by it in connection with any Bailee Collateral, except for its own gross negligence or willful misconduct as determined by a final, non-appealable judgment of a court of competent jurisdiction.

3A.04. Access. If the Priority Lien Representative undertakes an Enforcement Action against Shared Collateral, the Notes Representative and its agents may, upon reasonable prior notice and at the Notes Representative's own expense, observe such Enforcement Action, but may not interfere with it, and the Priority Lien Representative has no obligation to postpone or delay any Enforcement Action to accommodate the Notes Representative's observation.

SECTION 4. PAYMENT TURNOVER

4.01. If the Notes Representative or any holder of Notes receives any payment, or any proceeds of Shared Collateral, in violation of this Agreement prior to the Discharge of Priority Lien Obligations, it will hold the same in trust for the benefit of the Priority Lien Representative and will promptly turn the same over to the Priority Lien Representative, in the form received, for application to the Priority Lien Obligations.

SECTION 5. AMENDMENTS AND WAIVERS

5.01. The Priority Lien Representative may agree with the Loan Parties to amend, waive, or otherwise modify any provision of the Credit Agreement or any other Loan Document, and the Notes Representative may agree with the Issuer to amend, waive, or otherwise modify any provision of the Indenture or the Notes, in each case without the consent of the other Representative, except to the extent such amendment, waiver, or modification would be prohibited by, or would require the consent of the other Representative under, the express terms of this Agreement.

SECTION 6. INSOLVENCY PROCEEDINGS

6.01. If any Loan Party becomes subject to any insolvency or bankruptcy proceeding, the Notes Representative will not object to, and will be deemed to have consented to, (a) any debtor-in-possession financing consented to by the Priority Lien Representative that is secured by a Lien on the Shared Collateral senior to or on par with the Lien securing the Priority Lien Obligations, (b) any use of cash collateral consented to by the Priority Lien Representative, and (c) any sale of Shared Collateral under Section 363 of the Bankruptcy Code, or any comparable provision, that is consented to by the Priority Lien Representative, in each case so long as the Notes Representative

retains a Lien on the Shared Collateral, and on the proceeds of any such sale, with the same priority relative to the Priority Lien Representative as existed under Section 2 above.

6.02. The Notes Representative will not seek, and will not support any other Person in seeking, relief from the automatic stay, or any comparable protection, with respect to the Shared Collateral, without the prior written consent of the Priority Lien Representative, except as necessary to enforce its rights under this Section 6.

6.03. The Notes Representative will not, and will direct the holders of Notes not to, propose, support, or vote in favor of any plan of reorganization or plan of liquidation that is inconsistent with the priority scheme set forth in Section 2 above, and any provision of any such plan proposed or supported by the Notes Representative or any holder of Notes that purports to subordinate, prime, or otherwise adversely affect the priority of the Priority Lien Representative's Lien on the Shared Collateral is void as against the Priority Lien Representative.

6.04. Adequate Protection. If the Priority Lien Representative is granted adequate protection in the form of a replacement Lien, a superpriority claim, or a cash payment in any Insolvency Proceeding, the Notes Representative will not object to a request by the Notes Representative for adequate protection in the form of a replacement Lien on the same Shared Collateral, junior to the Priority Lien Representative's replacement Lien to the same extent as under Section 2 above, but will object to, and will not support, any request by the Notes Representative for adequate protection in the form of a superpriority claim or a cash payment that would be senior to or on par with the Priority Lien Representative's own adequate protection.

6.05. Waiver of Marshaling in Insolvency. In any Insolvency Proceeding, the Notes Representative waives any right it may have to require the marshaling of the Shared Collateral or any other collateral in favor of the Notes Representative or any holder of Notes.

6.06. Proofs of Claim. Nothing in this Section 6 restricts the Notes Representative from filing a proof of claim in any Insolvency Proceeding in respect of the Notes Lien Obligations, provided that any Distribution the Notes Representative receives on account of such proof of claim in respect of the Shared Collateral, prior to the Discharge of Priority Lien Obligations, remains subject to Section 4 above (Payment Turnover).

SECTION 7. RELEASE OF LIENS

7.01. If the Priority Lien Representative releases any Lien on any Shared Collateral in connection with an Enforcement Action, or in connection with any sale, transfer, or other disposition of such Shared Collateral permitted under the Credit Agreement, the Notes Lien on such Shared Collateral is automatically, and without any further action by any Person, released to the same extent, and the Notes Representative will promptly execute and deliver, at the Loan Parties' expense, any release, termination statement, or other document reasonably requested to evidence such release.

7.02. Partial Releases in the Ordinary Course. Any sale, transfer, or other disposition of Shared Collateral consisting of inventory, receivables, or other property in the ordinary course of business, in each case as permitted by the Credit Agreement without requiring the consent of the Administrative Agent, automatically releases the Notes Lien on the property so disposed of, without any requirement of prior notice to, or release document from, the Notes Representative, and the Notes Representative will, at the Loan Parties' request and expense, promptly execute and deliver any further release or termination statement reasonably requested to evidence such release, notwithstanding

the absence of prior notice.

7.03. Release Certificate; Reliance. A certificate of a Responsible Officer of the Administrative Agent (or of the Borrower, certifying that the Administrative Agent has consented) stating that a release of Shared Collateral is permitted by this Agreement and the Credit Agreement is conclusive evidence of that fact for all purposes of this Section 7, and the Notes Representative, any title insurance company, and any purchaser of the released Shared Collateral may rely on such certificate without any independent investigation or inquiry, and without any liability to the Notes Representative or any holder of Notes for having done so.

7.04. Delivery of Termination Statements. Upon the Discharge of Priority Lien Obligations, the Priority Lien Representative will, at the Loan Parties' expense, deliver to the Notes Representative such UCC termination statements, mortgage releases, and other instruments as are reasonably necessary to evidence the termination of the Liens securing the Priority Lien Obligations, provided that the Priority Lien Representative's failure to do so does not affect the automatic release of the Notes Lien priority scheme under Section 2 above upon the Discharge of Priority Lien Obligations.

7.05. Substituted and Replacement Collateral. If, in connection with any release of Shared Collateral under this Section 7, the Loan Parties grant a Lien on substitute or replacement property to secure the Priority Lien Obligations, whether pursuant to a like-kind exchange, a condemnation, or an insurance settlement, such substitute or replacement property automatically becomes Shared Collateral upon the grant of such Lien, subject to the priority scheme set forth in Section 2.01 above, without any further action by the Notes Representative.

7.06. No Independent Right to Release. Except as provided in this Section 7, the Notes Representative has no right to release any Notes Lien on Shared Collateral without the prior written consent of the Priority Lien Representative for so long as any Priority Lien Obligations remain outstanding.

SECTION 8. REPRESENTATIONS

8.01. Each Representative represents that it has the power and authority to enter into this Agreement in the capacity in which it does so, and that this Agreement has been duly authorized, executed, and delivered by it.

SECTION 9. NO RELIANCE; NO FIDUCIARY DUTY

9.01. Each Representative has, independently and without reliance on the other Representative, made its own credit analysis and decision to enter into this Agreement. Neither Representative owes any fiduciary duty to the other Representative or to any holder represented by the other Representative solely by virtue of this Agreement.

9.02. This Agreement does not create, and shall not be construed to create, any fiduciary duty of the Priority Lien Representative to the Notes Representative or to any holder of Notes, or of the Notes Representative to the Priority Lien Representative or to any Lender, and each Representative's rights and obligations under this Agreement are limited to those expressly set forth in this Agreement.

9.03. No Warranties. Neither Representative makes any express or implied warranty to the other Representative with respect to the validity, perfection, priority, or enforceability of any Lien on the Shared Collateral, and each Representative assumes responsibility for keeping itself informed as to the Loan Parties' and the Issuer's, as applicable, creditworthiness and financial condition.

SECTION 9A. SUCCESSOR REPRESENTATIVES

9A.01. Any successor Administrative Agent appointed in accordance with Article 9 of the Credit Agreement automatically succeeds to the rights and obligations of the Priority Lien Representative under this Agreement, without any further action by any party, and any successor trustee appointed in accordance with Article 10 of the Indenture automatically succeeds to the rights and obligations of the Notes Representative under this Agreement, without any further action by any party.

9A.02. Each Representative will give the other Representative prompt written notice of the appointment of any successor Representative, but the failure to give such notice does not affect the automatic succession described in Section 9A.01 above.

SECTION 9B. WAIVER OF SUBROGATION; REINSTATEMENT

9B.01. Waiver of Subrogation. Until the Discharge of Priority Lien Obligations, the Notes Representative, for itself and on behalf of the holders of Notes, waives any right of subrogation it or they may otherwise have to the rights of the Priority Lien Representative or any Lender against any Loan Party or any Shared Collateral, whether such right arises under applicable law, in equity, or otherwise, and whether or not the Notes Lien Obligations have been paid in full.

9B.02. Reinstatement. If any payment received by the Priority Lien Representative or any Lender on account of the Priority Lien Obligations is set aside, rescinded, or must otherwise be returned or disgorged by the Priority Lien Representative or such Lender upon the insolvency, bankruptcy, or reorganization of any Loan Party, or otherwise, then, for all purposes of this Agreement, the Priority Lien Obligations affected by such payment shall be deemed reinstated to the extent of such set-aside, rescission, return, or disgorgement, and this Agreement, including the priority and standstill provisions of Sections 2 and 3 above, shall continue in full force and effect as to the Priority Lien Obligations so reinstated as if such payment had not been made.

SECTION 10. MISCELLANEOUS

10.01. Governing Law; Jury Trial Waiver. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. EACH PARTY HERETO IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

10.02. Notices. All notices under this Agreement shall be in writing and delivered in the manner specified for notices under the Credit Agreement, in the case of notices to the Priority Lien Representative, and under the Indenture, in the case of notices to the Notes Representative.

10.03. Amendment. This Agreement may be amended only by a written instrument signed by the Priority Lien Representative and the Notes Representative; the consent of no Loan Party or holder of Notes is required for any such amendment.

10.04. Termination. This Agreement terminates upon the earlier of (a) the Discharge of Priority Lien Obligations and (b) the payment in full of the Notes and termination of the Indenture, in each case without any Notes Lien ever having arisen.

10.05. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument, and may be delivered by electronic transmission

with the same effect as delivery of a manually executed counterpart.

10.06. No Third-Party Beneficiaries. Except as expressly provided in this Agreement, this Agreement is solely for the benefit of the Priority Lien Representative, the Lenders, the Notes Representative, and the holders of Notes, and no other Person, including any Loan Party, has any right, remedy, or claim under or by reason of this Agreement, except that each Loan Party is entitled to enforce Sections 4, 6, and 7 of this Agreement as an intended third-party beneficiary of those specific Sections.

10.07. Severability. If any provision of this Agreement is held to be invalid, illegal, or unenforceable in any jurisdiction, the validity, legality, and enforceability of the remaining provisions of this Agreement in that jurisdiction, and of every provision of this Agreement in every other jurisdiction, shall not be affected or impaired thereby.

10.08. Integration. This Agreement constitutes the entire agreement between the Priority Lien Representative and the Notes Representative with respect to the relative priority of the Priority Lien Obligations and the Notes Lien Obligations in the Shared Collateral, and supersedes any prior or contemporaneous agreement, understanding, or representation, oral or written, relating to that subject matter, including the "Acceptable Intercreditor Agreement" negotiations that preceded this Agreement.

10.09. Headings. Section headings used in this Agreement are for convenience of reference only and do not affect the interpretation of this Agreement.

10.10. Conflict with Other Documents. In the event of any conflict between the provisions of this Agreement and the provisions of the Credit Agreement, the Security Agreement, the Indenture, or the Notes, as between the Priority Lien Representative and the Notes Representative solely with respect to the relative priority and rights described in this Agreement, the provisions of this Agreement govern.

10.11. Expenses. Each Representative bears its own costs and expenses incurred in connection with the negotiation, execution, and delivery of this Agreement, and neither Representative is entitled to reimbursement from the other Representative or from any Loan Party for such costs and expenses solely by reason of this Agreement, without prejudice to any reimbursement right such Representative separately has under the Credit Agreement or the Indenture, as applicable.

10.12. Interpretation. In this Agreement, unless the context otherwise requires, (a) any reference to a Section is a reference to a Section of this Agreement, (b) the words "herein", "hereof", and "hereunder" refer to this Agreement as a whole and not to any particular provision, and (c) the word "including" means "including without limitation".

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of 15 June 2023.
