SECURITY AGREEMENT

This Security Agreement (this "Agreement") is entered into as of 15 June 2023, by the Borrower and each Restricted Subsidiary party hereto as a grantor (each, a "Grantor" and collectively, the "Grantors"), in favor of Truist Bank, as Administrative Agent for the benefit of the Secured Parties, and is a Collateral Document under the Credit Agreement.

RECITALS

WHEREAS, the Borrower, the Lenders, and the Administrative Agent are parties to the Credit Agreement, pursuant to which the Lenders have made available to the Borrower a revolving credit facility and a term loan facility, secured in part by this Agreement;

WHEREAS, it is a condition to the obligation of the Lenders to make Credit Extensions under the Credit Agreement that each Grantor execute and deliver this Agreement and grant the security interest described below, in accordance with Section 5.10 of the Credit Agreement;

NOW, THEREFORE, in order to induce the Lenders to make Credit Extensions under the Credit Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. DEFINITIONS

1.01. Credit Agreement Terms. Capitalized terms used but not otherwise defined in this Agreement have the meanings assigned to them in the Credit Agreement.

1.02. Certain UCC Terms. The terms "Account", "Chattel Paper", "Commercial Tort Claim", "Deposit Account", "Document", "Equipment", "Fixture", "General Intangible", "Goods", "Instrument", "Inventory", "Investment Property", "Letter-of-Credit Right", "Proceeds", and "Supporting Obligation" each have the meaning given to such term in Article 9 of the Uniform Commercial Code as in effect in the State of New York (the "UCC"); if a term used in this Agreement is defined in more than one Article of the UCC, the Article 9 definition governs. The term "Account Debtor" has the meaning given to it in the UCC.

1.03. "Collateral" means, collectively, all right, title and interest of each Grantor in and to the following, in each case whether now owned or existing or hereafter acquired or arising: (a) all Accounts; (b) all Chattel Paper; (c) all Commercial Tort Claims specifically described on Schedule I hereto; (d) all Deposit Accounts; (e) all Documents; (f) all Equipment; (g) all Fixtures; (h) all General Intangibles, including all Intellectual Property; (i) all Goods not otherwise described in this definition; (j) all Instruments; (k) all Inventory; (l) all Investment Property; (m) all Letter-of-Credit Rights; (n) all books, records, ledger cards, and computer programs relating to any of the foregoing; and (o) all Proceeds and products of any and all of the foregoing; PROVIDED that "Collateral" excludes all Excluded Property, as that term is defined in the Credit Agreement.

1.03A. "Excluded Property" (as defined in the Credit Agreement, and incorporated by this reference rather than restated in full) generally means, among other categories set forth in that definition, (a) any lease, license, or other agreement, or any property subject to a purchase money or Capital Lease Obligation permitted under the Credit Agreement, to the extent that a grant of a security interest therein would violate the terms of such lease, license, or other agreement or such purchase money or Capital Lease arrangement, after giving effect to the applicable anti-

assignment override provisions of the UCC, (b) any governmental license or permit to the extent a security interest therein is prohibited by applicable law, and (c) motor vehicles and other assets subject to a certificate of title statute, in each case to the extent perfection of a security interest therein is not accomplished by filing a UCC financing statement.

1.04. "Secured Obligations" means the Obligations, as that term is defined in the Credit Agreement, including all Obligations arising after the date hereof.

1.05. "Excluded Accounts" means payroll accounts, trust and fiduciary accounts, and any Deposit Account with an average daily balance below the de minimis threshold specified in the Credit Agreement, in each case as further described in Section 5.10 of the Credit Agreement.

1.06. "Control Agreement" means, with respect to any Deposit Account, Securities Account, or Commodity Account, an agreement among the applicable Grantor, the Administrative Agent, and the depositary bank, securities intermediary, or commodity intermediary, as applicable, in form and substance reasonably satisfactory to the Administrative Agent, granting the Administrative Agent control over such account within the meaning of the UCC.

SECTION 2. GRANT OF SECURITY INTEREST

2.01. Each Grantor hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to the Collateral, whether now owned or hereafter acquired or arising, to secure the prompt and complete payment and performance when due (whether at stated maturity, by acceleration, or otherwise) of the Secured Obligations.

2.02. This Agreement creates a continuing security interest in the Collateral and shall remain in full force and effect until the Discharge of Obligations, notwithstanding that from time to time there may be no Secured Obligations outstanding at any particular time.

2.03. The security interest granted by each Grantor under this Agreement secures both such Grantor's own obligations under this Agreement and, to the extent such Grantor is also a Guarantor, such Grantor's obligations under the Guarantee, and the Administrative Agent may enforce the security interest to satisfy either or both, in its discretion, subject to the order of application of proceeds set forth in Section 8 of the Credit Agreement.

SECTION 3. REPRESENTATIONS AND WARRANTIES

3.01. Title. Each Grantor is the sole owner of the Collateral purported to be granted by it hereunder, free and clear of any Lien other than a Permitted Lien.

3.02. Perfection. Upon (a) the filing of financing statements under the UCC naming each Grantor as debtor and the Administrative Agent as secured party in the jurisdiction of organization of each Grantor, and (b) with respect to Collateral consisting of Deposit Accounts, Securities Accounts, and Commodity Accounts, execution and delivery of a Control Agreement in form and substance reasonably satisfactory to the Administrative Agent, the security interest granted hereunder will constitute a valid, perfected security interest in the Collateral to the extent a security interest in such Collateral may be perfected by filing a financing statement or by control under the UCC, in each case prior to any other Lien other than a Permitted Lien having priority as a matter of law.

3.03. No Conflicts. The execution, delivery and performance of this Agreement do not contravene such Grantor's organizational documents, any material Contractual Obligation of such Grantor, or any applicable Law, and do not

require the consent of any third party other than such as have already been obtained.

3.04. Chief Executive Office; Location of Records. Each Grantor's chief executive office and the location of its books and records concerning the Collateral are set forth opposite its name on Schedule II hereto, and are true and correct as of the date hereof.

3.05. Names. No Grantor has, during the five years preceding the date hereof, conducted business under any legal name, trade name, or fictitious name other than as set forth on Schedule III hereto.

3.06. No Financing Statements. Except for financing statements filed in favor of the Administrative Agent under this Agreement, or financing statements filed in respect of Permitted Liens, no financing statement covering any Collateral is on file in any public office as of the date hereof.

3.07. Deposit Accounts. Schedule IV hereto sets forth a complete and accurate list of all Deposit Accounts maintained by each Grantor as of the date hereof, other than Excluded Accounts, together with the name of the depositary bank and the account number for each.

SECTION 4. COVENANTS

4.01. Further Assurances. Each Grantor will, at its own expense, execute and deliver, and use commercially reasonable efforts to cause any other Person to execute and deliver, all further instruments and documents, and take all further action, that the Administrative Agent may reasonably request in order to perfect, protect, or continue the security interest granted hereunder, including additional financing statements, Control Agreements, and intellectual property security agreements, and to correct any defect that may hereafter be discovered in the execution, acknowledgment, or filing of this Agreement or any financing statement or amendment thereto.

4.02. Change of Name or Location. No Grantor will change its legal name, its jurisdiction of organization, or the location of its chief executive office without giving the Administrative Agent at least thirty days' prior written notice and taking all action the Administrative Agent reasonably requests to maintain the perfection and priority of the security interest granted hereunder, including the filing of any amended or new financing statement in the new jurisdiction of organization.

4.03. Maintenance and Insurance. Each Grantor will maintain the tangible Collateral in good repair, working order, and condition, ordinary wear and tear excepted, and will maintain insurance on the Collateral in accordance with Section 5.07 of the Credit Agreement, naming the Administrative Agent as loss payee or additional insured, as applicable.

4.04. Commercial Tort Claims. If any Grantor obtains any Commercial Tort Claim having a value in excess of the threshold specified in the Credit Agreement, such Grantor will promptly notify the Administrative Agent and, upon the Administrative Agent's request, will amend Schedule I hereto to describe such claim in reasonable detail.

4.05. Instruments, Chattel Paper, and Documents. Promptly upon request by the Administrative Agent following the occurrence and during the continuance of an Event of Default, each Grantor will deliver to the Administrative Agent all Instruments, Chattel Paper, and negotiable Documents constituting Collateral with an individual face amount in excess of the threshold specified in the Credit Agreement, together with any necessary endorsements.

4.06. Deposit Accounts. Each Grantor will maintain a Control Agreement in favor of the Administrative Agent over each Deposit Account it maintains, other than Excluded Accounts (payroll accounts, trust and fiduciary accounts,

and accounts with an average daily balance below the de minimis threshold specified in the Credit Agreement), in each case within the time period specified in Section 5.10 of the Credit Agreement.

4.07. Intellectual Property. Each Grantor will, with respect to Intellectual Property registered with, or subject to an application pending before, the United States Patent and Trademark Office or the United States Copyright Office, execute and deliver a short-form intellectual property security agreement suitable for recordation with the applicable office, and will promptly notify the Administrative Agent of any additional registered Intellectual Property it acquires.

4.08. Insurance Proceeds. Each Grantor will cause the Administrative Agent to be named as loss payee or additional insured, as applicable, under each insurance policy covering tangible Collateral, and will apply the proceeds of any such insurance policy in accordance with the applicable provisions of the Credit Agreement governing casualty and condemnation proceeds.

4.09. Landlord and Warehouseman Waivers. Each Grantor will use commercially reasonable efforts to obtain a landlord's or warehouseman's lien waiver, reasonably satisfactory to the Administrative Agent, with respect to any leased or third-party-operated location at which Collateral having a value in excess of the threshold specified in the Credit Agreement is located.

4.10. Environmental Compliance. Each Grantor will comply, in all material respects, with all applicable environmental laws relating to the Collateral, and will promptly notify the Administrative Agent of any environmental claim, investigation, or proceeding relating to the Collateral that could reasonably be expected to have a Material Adverse Effect.

4.11. No Impairment. No Grantor will take, or knowingly permit any other Person to take, any action that would impair the value of the Administrative Agent's security interest in the Collateral, other than in the ordinary course of business consistent with past practice or as otherwise permitted under the Credit Agreement.

SECTION 5. EVENTS OF DEFAULT; REMEDIES

5.01. Remedies. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may exercise, in addition to all other rights and remedies granted to it under this Agreement and under any other Loan Document, all rights and remedies of a secured party under the UCC, including the right to (a) require the Grantors to assemble the Collateral and make it available at a place designated by the Administrative Agent, (b) sell, lease, license, or otherwise dispose of the Collateral at public or private sale, (c) notify Account debtors to make payment directly to the Administrative Agent and enforce Chattel Paper directly, (d) occupy any premises owned or leased by any Grantor where the Collateral or any part thereof is located for such time as may be necessary to effect any sale, lease, license, or other disposition of the Collateral without obligation to any Grantor in respect of such occupation, and (e) apply the proceeds of any Collateral to the Secured Obligations in the order provided in Section 8 of the Credit Agreement.

5.01A. Each Grantor further agrees that, following the occurrence and during the continuance of an Event of Default, the Administrative Agent may, without notice except as specified below, (a) require any Grantor to, and each Grantor agrees that it will, upon request of the Administrative Agent, endorse and deliver any Chattel Paper, Instruments, or negotiable Documents constituting Collateral to the Administrative Agent, and (b) exercise, in

respect of the Collateral, in addition to the other rights and remedies provided for in this Agreement or otherwise available to it, all the rights and remedies of a secured party under the UCC of any jurisdiction in which the Collateral is located, whether or not the UCC applies to the affected Collateral.

5.02. Notice of Disposition. Ten Business Days' prior written notice to the affected Grantor of the time and place of any public sale, or of the time after which any private sale or other disposition of Collateral is to be made, constitutes commercially reasonable notice, and the Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, without further notice.

5.03. Waiver of Marshaling. Each Grantor waives any right it may have to require the Administrative Agent to marshal any Collateral or other assets in favor of such Grantor or any other Person, and waives any defense based on the order in which the Administrative Agent proceeds against any of the Collateral or any other collateral securing the Secured Obligations.

5.04. Application of Proceeds. All proceeds received by the Administrative Agent in respect of any sale, disposition, or other realization on the Collateral following the occurrence and during the continuance of an Event of Default shall be applied by the Administrative Agent in the order set forth in Section 8 of the Credit Agreement, and the excess, if any, shall be returned to the applicable Grantor or to whomever else may be lawfully entitled thereto.

5.05. Setoff. In addition to any rights and remedies of the Administrative Agent and the Lenders provided by law, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is authorized, at any time and from time to time, without prior notice to any Grantor, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, and any other obligations at any time owing, by the Administrative Agent or such Lender to or for the credit or the account of any Grantor, against any obligation of such Grantor under this Agreement, irrespective of whether the Administrative Agent or such Lender has made any demand under this Agreement and although such obligation may be contingent or unmatured.

5.06. Indemnification. Each Grantor will indemnify the Administrative Agent and each other Secured Party against, and hold each of them harmless from, any and all losses, claims, damages, liabilities, and reasonable, documented out-of-pocket expenses (including reasonable attorneys' fees) arising out of or in connection with this Agreement or the Collateral, except to the extent such losses, claims, damages, liabilities, or expenses are determined by a court of competent jurisdiction, in a final, non-appealable judgment, to have resulted from the gross negligence or willful misconduct of the party seeking indemnification.

5.07. Currency Indemnity. If, for the purpose of obtaining judgment in any court, it is necessary to convert an amount due under this Agreement into another currency, each Grantor agrees, to the fullest extent permitted by applicable law, that the rate of exchange used shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase the currency in which this Agreement is denominated with such other currency on the Business Day preceding the day on which final, non-appealable judgment is given, and each Grantor's obligation in respect of any such amount shall be discharged only to the extent that the Administrative Agent may actually purchase the original currency with the amount of the other currency actually received, and each Grantor agrees to indemnify the Administrative Agent against any shortfall resulting from that purchase.

SECTION 5A. ACKNOWLEDGMENTS

5A.01. Each Grantor acknowledges that it has received a copy of the Credit Agreement, the Guarantee, and each other Loan Document, has read and understands the terms of each, and has had the opportunity to consult with its own legal and financial advisors regarding the terms of this Agreement before executing it.

5A.02. Each Grantor acknowledges that the Administrative Agent and the Lenders are extending and maintaining credit under the Credit Agreement in reliance on this Agreement, and that this Agreement is a material inducement to the Administrative Agent's and the Lenders' willingness to do so.

5A.03. Each Grantor acknowledges that any third party holding Collateral on behalf of a Grantor, including any warehouseman, processor, or bailee, holds such Collateral as bailee for the benefit of the Administrative Agent to the extent of the Administrative Agent's security interest therein, and each Grantor will use commercially reasonable efforts to obtain an acknowledgment of the Administrative Agent's security interest from any such third party holding Collateral with a value in excess of the threshold specified in the Credit Agreement.

SECTION 6. POWER OF ATTORNEY

6.01. Each Grantor irrevocably appoints the Administrative Agent, and any officer or agent of the Administrative Agent, as its attorney-in-fact, with full power of substitution, in the name of such Grantor or in the Administrative Agent's own name, (a) at any time, to file financing statements and amendments thereto describing the Collateral, and to file any other document necessary to perfect or continue the perfection of the security interest granted hereunder, whether or not signed by such Grantor where permitted by the UCC, and (b) following the occurrence and during the continuance of an Event of Default, to take any other action and execute any other instrument that the Administrative Agent may deem necessary to enforce this Agreement, including the endorsement of Instruments and the collection of Accounts. This power of attorney is coupled with an interest and is irrevocable until the Discharge of Obligations.

SECTION 7. MISCELLANEOUS

7.01. Notices. All notices under this Agreement shall be given in the manner specified in Section 10 of the Credit Agreement.

7.02. No Waiver. No failure or delay by the Administrative Agent in exercising any right or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy, and no waiver shall be effective unless in writing and signed by the Administrative Agent.

7.03. Successors and Assigns. This Agreement binds and inures to the benefit of each Grantor, the Administrative Agent, and their respective successors and permitted assigns; provided that no Grantor may assign or transfer its rights or obligations under this Agreement without the prior written consent of the Administrative Agent.

7.03A. No Third-Party Beneficiaries. This Agreement is solely for the benefit of the Administrative Agent and the Secured Parties, and no other Person, including the Borrower (in its capacity other than as a Grantor), has any right, remedy, or claim under or by reason of this Agreement.

7.03B. Integration. This Agreement, together with the other Loan Documents, constitutes the entire agreement between each Grantor and the Administrative Agent with respect to the subject matter hereof and supersedes any prior or contemporaneous agreement, understanding, or representation, oral or written, relating to such subject

matter.

7.03C. Severability. If any provision of this Agreement is held to be invalid, illegal, or unenforceable in any jurisdiction, the validity, legality, and enforceability of the remaining provisions of this Agreement in that jurisdiction, and of every provision of this Agreement in every other jurisdiction, shall not be affected or impaired thereby.

7.03D. Interpretation. In this Agreement, unless the context otherwise requires, (a) any reference to a Section or Schedule is a reference to a Section of, or Schedule to, this Agreement, (b) the words "herein", "hereof", and "hereunder" refer to this Agreement as a whole and not to any particular provision, and (c) the word "including" means "including without limitation".

7.04. Governing Law; Jurisdiction; Jury Trial Waiver. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York. Each Grantor irrevocably submits to the non-exclusive jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and EACH PARTY HERETO IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

7.05. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument, and may be delivered by electronic transmission.

7.06. Termination and Release. This Agreement and the security interest granted hereunder shall terminate upon the Discharge of Obligations, and the Administrative Agent will, at the Grantors' expense, execute and deliver such termination statements and releases as the Grantors may reasonably request. A Grantor shall be automatically released from its obligations under this Agreement, and its Collateral automatically released from the Lien granted hereunder, upon the release of such Grantor as a Guarantor in accordance with Section 5.10 of the Credit Agreement.

7.07. Additional Grantors. Any Person required to become a party to this Agreement after the date hereof pursuant to Section 5.10 of the Credit Agreement shall become a Grantor hereunder by executing and delivering an Accession Agreement to the Administrative Agent, without the need for any other Grantor's consent.

7.08. Reinstatement. This Agreement remains in effect, or is automatically reinstated, as the case may be, if at any time any payment of any Secured Obligation is rescinded or must otherwise be returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, or reorganization of any Grantor or otherwise, all as though such payment had not been made, and, in such event, this Agreement shall be enforceable as to the Secured Obligations that were rescinded or returned as though the termination or release had not occurred.

7.09. Concerning the Administrative Agent. The Administrative Agent's rights, protections, immunities, and indemnities in respect of its actions under this Agreement are the same as those afforded to it under Section 9 of the Credit Agreement, whether acting as Administrative Agent or as Collateral Agent, and are incorporated into this Agreement by this reference as though set forth in full herein.
