Re: Trustee Fees Under the Indenture

cc: General Counsel, the Issuer

Ladies and Gentlemen:

Reference is made to the Indenture, dated as of the date of this letter, between the Issuer and Wilmington Trust, National Association, as trustee (the "Trustee"), relating to the Notes. This letter sets forth the fees payable to the Trustee for its services as trustee, registrar, and paying agent under the Indenture, and is the fee arrangement referred to in Section 7.07 of the Indenture. Capitalized terms used but not defined in this letter have the meanings assigned to them in the Indenture.

The Trustee's acceptance of its appointment under the Indenture, and its agreement to serve in the capacities described above, are conditioned on the Issuer's agreement to the fee, expense reimbursement, indemnification, and lien provisions set forth in this letter and in Section 7.07 of the Indenture. This letter is delivered on the date of this letter, concurrently with the execution and delivery of the Indenture, the issuance of the Notes, and the delivery of the Officers' Certificate establishing the terms of the Notes.

1. Acceptance Fee. The Issuer shall pay the Trustee a one-time acceptance fee, payable on the date of this letter, for the Trustee's review of the Indenture, its internal credit and conflicts approval process, and its acceptance of the trusts created by the Indenture.

2. Annual Administration Fee. The Issuer shall pay the Trustee an annual administration fee, payable in advance on the date of this letter and on each anniversary thereof for so long as the Notes remain outstanding, for the Trustee's ordinary services as trustee, registrar, and paying agent, including (a) the maintenance of the register of Holders required by Section 2.05 of the Indenture, (b) the processing of semiannual interest payments and of principal payments at Stated Maturity or upon redemption, (c) the receipt, review, and retention of officers' certificates and compliance certificates delivered under the Indenture, (d) the retention of records relating to the Notes for the period required by applicable law, and (e) responding to customary Holder inquiries regarding the administration of the Indenture.

3. Extraordinary Services. If the Trustee is called upon to perform services beyond its ordinary administration of the Indenture described in paragraph 2 above, including services in connection with (a) a Default or Event of Default, (b) a proposed amendment, waiver, or supplemental indenture, (c) a tender or exchange offer with respect to the Notes, (d) a redemption or change of control offer, or (e) any litigation, arbitration, or other proceeding to which the Trustee becomes a party or is called as a witness by reason of its acting as Trustee, the Issuer shall pay the Trustee its then-standard hourly rates for the personnel performing such extraordinary services, as agreed between the Issuer and the Trustee from time to time, in addition to the fees described in paragraphs 1 and 2 above.

4. Expenses. The Issuer shall reimburse the Trustee, promptly upon demand, for all reasonable, documented out-of-pocket expenses incurred by the Trustee in the performance of its duties under the Indenture, including the reasonable fees and expenses of the Trustee's counsel, whether such counsel is regularly retained by the Trustee or is retained specifically in connection with the Indenture or the Notes.

5. Indemnification. The Issuer's indemnification obligations with respect to the Trustee, its officers, directors, employees, and agents are as set forth in Section 7.07 of the Indenture, and this letter does not expand or diminish those obligations. For the avoidance of doubt, the Trustee's right to be reimbursed for expenses and indemnified under Section 7.07 of the Indenture is not limited to the extraordinary services described in paragraph 3 above and extends to the Trustee's ordinary administration of the Indenture as well.

6. Lien for Fees. As provided in Section 7.07 of the Indenture, the Trustee has a lien prior to the Notes on all money or property held or collected by the Trustee, other than money or property held in trust to pay principal and interest on particular Notes, for the payment of its fees, expenses, and indemnities described in this letter. This letter does not create any additional lien beyond the one already provided for in the Indenture.

7. No Duty to Advance Funds. Nothing in this letter, and no fee, expense reimbursement, or indemnification obligation described in this letter, requires the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of its duties under the Indenture if the Trustee has reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

8. Fee Review. The Issuer and the Trustee will review the fees set forth in paragraphs 1 and 2 above every third anniversary of the date of this letter, and may agree in writing to adjust the annual administration fee to reflect changes in the Trustee's cost of providing the services described in paragraph 2; absent such written agreement, the fees set forth in this letter continue unchanged.

9. Term. The fees set forth in this letter are payable for so long as the addressee serves as Trustee under the Indenture. If a successor Trustee is appointed in accordance with Article 10 of the Indenture, the Issuer and the successor Trustee will enter into a new fee letter on substantially similar terms, and the predecessor Trustee's entitlement to fees, expenses, and indemnities accrued through the effective date of its resignation or removal survives that resignation or removal and this letter's termination.

10. Entire Agreement. This letter, together with Section 7.07 of the Indenture, constitutes the entire agreement between the Issuer and the Trustee with respect to the Trustee's compensation, and supersedes any prior or contemporaneous oral or written proposal or understanding relating to that subject matter.

11. Notices. All notices under this letter shall be given in the manner specified for notices to the Trustee and to the Issuer, respectively, under Section 13.01 of the Indenture, addressed in the case of the Trustee to its corporate trust office identified in the Indenture.

12. Counterparts. This letter may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument, and may be delivered by electronic transmission with the same effect as delivery of a manually executed counterpart.

12A. Successor Fee Letters Not Retroactive. Nothing in this letter obligates the Issuer to pay a successor Trustee any fee, at any rate, other than as agreed in the new fee letter contemplated by paragraph 9 above, and nothing in this letter obligates a successor Trustee to accept the fees set forth in this letter as a condition of its acceptance of appointment as Trustee.

12B. No Assignment. Neither the Issuer nor the Trustee may assign its rights or obligations under this letter without

the prior written consent of the other, except that the Trustee may assign this letter to a successor Trustee appointed in accordance with Article 10 of the Indenture, and the Issuer may assign this letter to a successor entity that assumes the Notes and the Indenture in a transaction permitted thereunder.

13. Governing Law. This letter shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflicts-of-laws principles that would require the application of the laws of another jurisdiction.

Please indicate your agreement to the foregoing by countersigning in the space provided below and returning a copy of this letter to the Issuer.

For the avoidance of doubt, the fees, expenses, and indemnities described in this letter are payable in addition to, and not in lieu of, any amount payable to the Trustee under any other agreement between the Issuer and the Trustee relating to a different series of securities or a different engagement.

This letter is confidential as between the Issuer and the Trustee and shall not be filed as an exhibit to, or otherwise made a part of, the Indenture or any registration statement relating to the Notes, provided that this letter may be disclosed to the extent required by applicable law or by a court or governmental authority of competent jurisdiction.

Very truly yours,
