The Borrower

Re: Limited Waiver Under the Credit Agreement

cc: each Guarantor party to the Guarantee (for informational purposes only)

Ladies and Gentlemen:

Reference is made to the Credit Agreement, among the Borrower, the Guarantors party thereto, the Lenders party thereto, and Truist Bank, as Administrative Agent. Capitalized terms used but not defined in this letter have the meanings assigned to them in the Credit Agreement.

The Borrower has notified the Administrative Agent that the Compliance Certificate and the related financial statements for the fiscal quarter ended immediately preceding the date of this letter were not delivered within the time period required by Section 5.01 of the Credit Agreement, and that this failure constitutes a Default under Section 8.01(b) of the Credit Agreement (the "Specified Default").

The Borrower has represented to the Administrative Agent that the Specified Default arose from a transition in the personnel responsible for the Borrower's financial reporting function during the fiscal quarter referenced above, that the Borrower's outside auditors experienced a corresponding delay in completing their quarterly review procedures as a direct result of that transition, and that the underlying financial results for the fiscal quarter in question do not reflect any deterioration in the Borrower's financial condition, any breach of any financial covenant set forth in Article VI of the Credit Agreement, or the occurrence of any other Default or Event of Default. The Administrative Agent has not independently verified these representations and is relying on them solely for purposes of this letter.

At the direction of the Required Lenders, and in reliance on the representations described above, the Administrative Agent hereby grants a limited, one-time waiver of the Specified Default, subject to the terms of this letter.

The Administrative Agent notes, for the Borrower's awareness, that a continuing, uncured Default under Section 8.01(b) of the Credit Agreement is also, by its own terms, a default under Section 9.01(c) of the Indenture governing the Notes (cross-default to Indebtedness in excess of the threshold specified therein), and that this letter's limited waiver of the Specified Default under the Credit Agreement accordingly also removes the predicate for any cross-default claim under the Indenture based solely on the Specified Default. This letter does not itself amend, waive, or otherwise affect the Indenture, is not delivered to, and creates no rights in favor of, the trustee under the Indenture or any Holder of the Notes, and should not be construed as an admission by the Administrative Agent, any Lender, or the Borrower as to whether the Specified Default, prior to the effectiveness of this waiver, in fact triggered any provision of the Indenture.

This waiver does not extend to, and the Administrative Agent expressly reserves all rights and remedies with respect to, any Default or Event of Default arising from a failure to deliver any report, certificate, or financial statement required under Section 5.01 of the Credit Agreement for any other fiscal period, whether before or after the fiscal quarter referred to above, and does not waive any requirement that the Borrower deliver, for the fiscal quarter referred to above, a Compliance Certificate that accurately reflects the Borrower's compliance or non-compliance with each financial covenant set forth in Article VI of the Credit Agreement as of the last day of that fiscal quarter.

This waiver is limited to the Specified Default for the fiscal quarter identified above and to no other Default or

Event of Default, whether existing on the date hereof or arising thereafter, including any recurrence of the same type of Default with respect to any other fiscal quarter. This waiver is not, and shall not be construed as, a waiver of any other provision of the Credit Agreement or any other Loan Document, and does not obligate the Administrative Agent or any Lender to grant any further or similar waiver in the future.

As a condition to the effectiveness of this waiver, the Borrower agrees to (a) deliver the outstanding Compliance Certificate and related financial statements to the Administrative Agent within ten Business Days of the date of this letter, and (b) deliver, concurrently with such Compliance Certificate, a certificate of a Responsible Officer of the Borrower confirming that, giving effect to the financial statements so delivered, no Default or Event of Default other than the Specified Default occurred or was continuing as of the last day of the fiscal quarter referred to above.

This letter is not, and shall not be construed as, an amendment, modification, or novation of the Credit Agreement or any other Loan Document, each of which remains in full force and effect in accordance with its terms, except as expressly and specifically waived above. No Guarantor's obligations under the Guarantee, and no Grantor's obligations under the Security Agreement, are released, discharged, or otherwise affected by this letter.

The Administrative Agent and each Lender reserve all of their respective rights and remedies under the Credit Agreement and the other Loan Documents with respect to any Default or Event of Default not expressly and specifically waived by this letter, and nothing in this letter shall be construed as a course of dealing or otherwise obligate the Administrative Agent or any Lender to grant any similar accommodation with respect to any future Default, whether of the same or a different kind, and whether arising under Section 5.01 of the Credit Agreement or any other provision thereof.

This letter shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflicts-of-laws principles that would require the application of the laws of another jurisdiction. This letter may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument, and may be delivered by electronic transmission with the same effect as delivery of a manually executed counterpart.

A copy of this letter is being provided to each Guarantor for informational purposes only; no signature or other action by any Guarantor is required for this letter to be effective in accordance with its terms, and no delivery requirement, cure period, or other term of the Guarantee or the Security Agreement is affected by this letter.

This letter is a Loan Document for purposes of Section 10 of the Credit Agreement (Notices; Miscellaneous), and any reference in the Credit Agreement or any other Loan Document to a document waiving a Default has the meaning assigned to it in this letter with respect to the Specified Default. Nothing in this letter shall be deemed to establish a practice, custom, or course of dealing between the Borrower, on the one hand, and the Administrative Agent or any Lender, on the other hand, with respect to any future late delivery of any report, certificate, or financial statement, and the Borrower acknowledges that timely compliance with Section 5.01 of the Credit Agreement remains a material obligation under the Credit Agreement notwithstanding the accommodation granted by this letter.

Please indicate the Borrower's agreement to the foregoing by countersigning in the space provided below and returning a copy of this letter to the Administrative Agent.

If the Borrower does not countersign and return this letter within five Business Days of the date hereof, or does not

satisfy the condition set forth above within the period specified, the waiver granted by this letter shall be deemed automatically revoked, without any further action by the Administrative Agent, and the Specified Default shall be treated as continuing and unwaived from the date of this letter forward for all purposes of the Credit Agreement. This letter reflects the entire agreement of the Administrative Agent and the Borrower with respect to the Specified Default, and supersedes any prior or contemporaneous oral or written communication between them concerning the subject matter of this letter, including any preliminary indication of willingness to grant an accommodation of the kind described above, whether made in a telephone call, an email, or otherwise.

Very truly yours,
