COVENANT COMPLIANCE CERTIFICATE (EXECUTED - SCANNED)

For the fiscal quarter ended December 31, 2025.

The undersigned, the Chief Financial Officer of the Borrower, delivers this certificate to the Administrative Agent under the Credit Agreement's periodic reporting covenant, for the fiscal quarter stated above. This certificate predates the Transaction referenced elsewhere in this diligence corpus; it demonstrates historical compliance under the Borrower's existing capital structure only, and states no pro forma adjustment for any acquisition, addback taxonomy, or Confidential Information Memorandum of any kind.

1. I have reviewed the Credit Agreement's financial covenants and have made, or caused to be made under my supervision, a review of the Borrower's financial condition for the accounting period covered by the financial statements delivered concurrently with this certificate.

2. That review did not disclose, and I have no knowledge of, any condition or event constituting a Default or an Event of Default as of the date of this certificate.

3. Schedule I below sets forth the calculation demonstrating compliance with the Maximum Total Net Leverage Ratio covenant, and Schedule II sets forth the calculation demonstrating compliance with the Minimum Fixed Charge Coverage Ratio covenant, each as of the last day of the period stated above.

SCHEDULE I. TOTAL NET LEVERAGE RATIO

LTM Adjusted EBITDA (per the Borrower's internal reporting for the period): 41,150,000.00

Consolidated Net Debt (per Annex A to this Schedule I, below): 213,050,000.00

Total Net Leverage Ratio (Consolidated Net Debt / Adjusted EBITDA above): 5.1774x, tested against the 5.25x maximum permitted under the Credit Agreement's Section 6.01.

Based on the foregoing calculation, the Borrower certifies that it is in compliance with Section 6.01 as of the date of this certificate.

ANNEX A TO SCHEDULE I. CONSOLIDATED NET DEBT BUILD

This Annex A sets forth, by instrument, the Consolidated Net Debt calculation referenced in Schedule I above, as of December 31, 2025.

Instrument	Amount
Plus: Senior Notes Outstanding	175,000,000.00
Plus: Revolver Drawn	18,000,000.00
Plus: Finance Lease Obligations	4,550,000.00
Plus: Industrial Revenue Bonds (Corporate	24,500,000.00

Guarantee)	
Minus: Unrestricted Cash	9,000,000.00
CONSOLIDATED NET DEBT	213,050,000.00

The Industrial Revenue Bonds are included above as funded debt for leverage purposes, consistent with the Credit Agreement's own Consolidated Net Debt definition, notwithstanding that the corporate guarantee supporting them predates the Transaction referenced elsewhere in this diligence corpus.

SCHEDULE II. FIXED CHARGE COVERAGE RATIO

LTM Adjusted EBITDA (same basis as Schedule I above): 41,150,000.00

Fixed Charges (per Annex B to this Schedule II, below): 16,100,000.00

Fixed Charge Coverage Ratio (Adjusted EBITDA / Fixed Charges above): 2.5559x, tested against the 1.25x minimum required under the Credit Agreement's Section 6.02.

Based on the foregoing calculation, the Borrower certifies that it is in compliance with Section 6.02 as of the date of this certificate.

ANNEX B TO SCHEDULE II. FIXED CHARGES BUILD

Component	Amount
Consolidated cash interest expense	14,900,000.00
Scheduled principal payments (mandatory amortization)	1,200,000.00
TOTAL FIXED CHARGES	16,100,000.00

BASIS OF CALCULATION AND ACCOUNTING POLICIES

This certificate is delivered under the Credit Agreement. Capitalized terms used but not defined in this certificate have the meanings assigned in the Credit Agreement. The calculations above have been made from the Borrower's consolidated books and records, prepared in accordance with generally accepted accounting principles in the United States, consistently applied on the same basis as the most recently delivered annual audited financial statements.

All amounts are stated in United States dollars. No amount has been duplicated between Schedule I and Schedule II, and no liability, obligation or asset required to be included has been omitted, except as required or permitted by the Credit Agreement's own definitions.

Except as set forth in a separate schedule attached to the original (not reproduced in this scanned text layer, per the OCR note below), no event has occurred since the end of the period covered by this certificate that has had, or would reasonably be expected to have, a material adverse effect on the Borrower's business, operations or financial condition, taken as a whole.

This certificate is delivered solely for the benefit of the Administrative Agent and the Lenders under the Credit Agreement,

speaks only as of the date stated above, and may not be relied upon as a continuing representation with respect to any later date. No prior or later compliance certificate delivered by the Borrower is a continuing or repeated certification with respect to any date other than its own.
