INVESTMENT COMMITTEE APPROVAL SHEET (SCANNED - OCR TEXT LAYER)

[FAX TRANSMISSION HEADER - PAGE 1 OF 2 - SCAN QUALITY: FAIR - OCR TEXT LAYER BELOW, NOT MANUALLY REVIEWED - SOME CHARACTERS MAY BE MISRECOGNIZED]

FR0M: Credit Committee Secretary T0: Deal Team File Copy

PAGES: 02 RE: IC Appr0val Sheet - Target Acquisiti0n Financing

Deal Name: Pr0ject financing - senior secured revolving facility and assumption of existing indebtedness in connection with the pr0posed acquisition.

Meeting Date: Investment C0mmittee meeting, minutes reference IC Minutes 2026-05 and IC Minutes 2026-06 (typed originals govern; this scanned attachment is a citation-of-last-resort summary only).

Attendees (per sign-in sheet, OCR quality degraded on several names): Chair of the Committee; Chief Credit Officer; Head of Sp0nsor Coverage; Head of Leveraged Finance; two independent Committee members; Deal Team lead (non-voting, presenting).

[OCR NOTE: the sign-in sheet itself, appended to the original fax transmission, did not survive scanning legibly and is not reproduced in this text layer; attendance is reconstructed from the meeting minutes cross-reference above and from the Committee Secretary's cover memorandum.]

Agenda: (1) Presentation of the pr0posed acquisition financing structure by the Deal Team; (2) discussion of the senior secured revolving facility terms; (3) discussion of the assumed Senior Notes and Industrial Revenue B0nds; (4) discussion of pr0 forma leverage and covenant headroom; (5) vote on appr0val, subject to conditions precedent; (6) other business.

[OCR NOTE: item (6) of the agenda, 'other business', is noted in the original minutes as having been tabled without discussion; no substantive text corresponds to that agenda item in this scanned attachment.]

TERMS APPR0VED (SUMMARY TABLE)

Facility / Instrument	Amount Appr0ved	Key Terms
Revolving credit facility	60,000,000.00	senior secured, per draft Credit Agreement
Senior Notes (assumed outstanding, not newly issued)	175,000,000.00	see coupon line below
Industrial Revenue B0nds (assumed at Closing)	24,500,000.00	conduit-issued, corporate guarantee

Senior Notes coupon approved by the Committee: 1.750% per annum [OCR-MISREAD: source board minutes state the coupon rate; this scanned attachment's text layer misrecognizes the leading digit].

Aggregate principal appr0ved: 175,000,000.00.

Maximum pr0 forma leverage gate certified to the Committee: 5.50x, per the current internal credit policy (a superseded prior-round committee memo cited a looser gate and is NOT the governing level for this appr0val).

C0NDITIONS PRECEDENT NOTED BY THE COMMITTEE

1. Delivery of an executed Credit Agreement and Security Agreement in form and substance consistent with the term sheet presented to the C0mmittee.

2. Confirmation from outside counsel that the assumed Industrial Revenue B0nds may be assumed without triggering a mandatory redemption or acceleration under the governing IRB documents.

3. Receipt of the rating agency action reports on the corporate notes and the revolving facility, confirming no rating action inconsistent with the leverage assumptions presented to the C0mmittee.

4. Delivery of a fully executed funds flow memorandum reflecting the sources and uses presented to the C0mmittee, including the treatment of the change-of-control repurchase obligation under the Senior Notes indenture.

5. Delivery of the Compliance Certificate (draft form reviewed by the C0mmittee) demonstrating pr0 forma compliance with both the Maximum Total Net Leverage Ratio and the Minimum Fixed Charge Coverage Ratio covenants under the Credit Agreement as of the Closing Date.

[OCR NOTE: a sixth condition precedent, referencing an insurance certificate, is partially legible in the original fax and is reproduced here only as: '...evidence of insurance c0nsistent with Section [ILLEGIBLE] of the Credit Agreement...' - the balance of this condition did not survive scanning and is not part of this text layer.]
