BRAE RETAIL FUELS — STATEMENT OF FUEL MIX

In-state sales of fossil fuel products, June 2020 - June 2025

This statement was prepared at the request of the Office of the Attorney General. Classification of products follows the definition of Fossil Fuel Products in the Act.

Product	Share of in-state sales (%)	In-state sales, window ($M)	Basis of measurement
Oil and refined products	80.0	944.0	invoiced volume x price
Natural gas	20.0	236.0	metered volume x tariff
Coal	0.0	0.0	no registered coal sales

Over the period the product mix was stable. No coal is sold by the company in Arden, and it holds no coal supply contracts. Deliveries were effected through 7 points of receipt.

Reported volumes are as recorded in the company's billing system. Owing to rounding, percentages may not sum exactly.
