CORVIN MIDSTREAM — STATEMENT OF FUEL MIX

In-state fossil fuel product sales, June 2020 - June 2025

Prepared for the Office of the Attorney General at that Office's request. The product classification adopted here follows the definition of Fossil Fuel Products in the Act.

Product	Share of in-state sales (%)	In-state sales, window ($M)	Basis of measurement
Oil and refined products	50.0	350.0	invoiced volume x price
Natural gas	50.0	350.0	metered volume x tariff
Coal	0.0	0.0	no registered coal sales

Throughout the period the mix remained stable. In Arden the company does not sell coal, and it holds no coal supply contracts. Deliveries occurred through 29 points of receipt.

Volumes are stated as recorded in the company's billing system. Owing to rounding, the percentages may not sum exactly.
