FEDERAL DISASTER ASSISTANCE — OBLIGATED AND DISBURSED

Compiled by the Arden Emergency Management Agency from federal award records

Amounts are those obligated to Arden and its subdivisions in respect of the three declared climate events. Figures are as recorded in the federal award system.

Event	Programme	Obligated ($M)	Disbursed ($M)
Hurricane Peria (2021)	Public assistance	137.3	119.2
Hurricane Peria (2021)	Individual assistance	60.2	38.3
Millvale flood (2021)	Public assistance	84.1	71.3
Millvale flood (2021)	Individual assistance	32.5	22.4
Hurricane Talwyn (2024)	Public assistance	167.1	128.0
Hurricane Talwyn (2024)	Individual assistance	60.4	32.0
All events	Total received to date	610.0	610.0

Total received includes receipts brought forward from prior-year events across all programmes; it is not the sum of the lines above.

The total received to date across all programmes and all three events is $610.0 million. Programme rows are shown as obligated and as disbursed and will not sum to the total received, since obligations on the 2024 event remain open.

No assistance has been received in respect of loss to private commercial property beyond the individual assistance programmes shown. Federal assistance does not compensate loss of business revenue.

Compiled 14 August 2025. Obligations on open events are subject to change.
